5. **Pilot schools that implemented the Strengthened SHS Curriculum for Grade 11 in SY 2025-2026 shall continue the pilot for their Grade 12 learners in SY 2026-2027.** Likewise, they are expected to continue implementing the Strengthened SHS Curriculum for their incoming Grade 11 learners in SY 2026-2027.

6. In preparation for the full implementation, DepEd offices across all governance levels are encouraged to undertake necessary preparatory activities. These may include curriculum mapping, academic and operational planning, orientation for school leaders and teachers, coordination with relevant partners, and other initiatives to support the implementation of the Strengthened SHS curriculum.

7. Technical assistance packages, including guidance on school planning and workforce management, as well as training packages for core subjects and electives, will be made available online for both public and private schools.
