We are pleased to invite you to the **International Seminar Workshop on Teaching Strategies and Assessment for K to 12 Education & National Teaching Demonstration Exhibition for Math, Science, English, Filipino, Araling Panlipunan, TLE, Computer, MAPEH, EsP with NEAP Recognized Program on Effective Curriculum Implementation July 19-22, 2023 in Mariapolis Center Auditorium, Ligaya Drive, Sungay West, Tagaytay City.** This a **live-out** learning event, participants living outside Tagaytay City will make arrangement for their accommodation. We will prepare and send to all registered participants the recommended hotel/ retreat house for their consideration.

Program rationale:

This training program revolves around the NEAP recognized program on effective curriculum implementation which focuses on the role of teachers in ensuring pedagogically sound instruction and assessment in the classroom. Regardless of the teacher's area of expertise, they are expected to manifest competencies that will address the diverse needs of the learners. Through the help of teacher-leaders in various educational settings, the sessions will help teacher-participants to affirm, to enhance and to further develop their own teaching practices through reflective practice in teaching.

The teacher-participants are expected to:

1. Practice reflective-teaching by being critical on their teaching practices such as instructional planning, delivery of instruction and conduct of student assessments.
2. Gain in-depth understanding of evidence-based teaching practices for K12 Education like constructive alignment by unpacking the performance and content standards.
3. Develop and apply competencies expressed in DepEd PPST in specific areas of content knowledge pedagogy, curriculum and planning, assessment and reporting.
4. Benchmark from other educators and practitioners of appropriate teaching strategies
