Dear Ma'am,

Greetings!

In response and support to the Government's call to teach moral values in all public schools throughout the country, Child Evangelism Fellowship of the Philippines (CEF) has been conducting for the past several years, each program of Elementary and High School Values Education Classes (EHSVEC) in different public schools, both Elementary and High School all over the country for free.

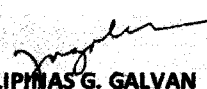

In order to conduct EHSVEC in public schools, we would only consume 30 minutes once a week, teaching at the convenience of the school and pupils, which will only last for 3 consecutive months. The materials we are using are: LIVING AND LOVING GOD'S WAY. Living God's Way was designed to help children focus their lives in Developing Right Attitudes, where topics such as Anger or Self-control, Fear, Envy or Contentment and more are taught and discussed. Loving God's Way was designed for teaching and practicing love in the family of God, where topics such as Love One Another, Speaking Kindly to One Another and Helping One Another are taught.

We at CEF family firmly believe that these values will greatly influence and change the children's character enabling them to be successful and God fearing someday.

In view of the above, we would like to request for your approval to allow us to conduct EHSVEC in all public schools under your jurisdiction this coming SY 2025-2026.

Thank you very much for your positive response to our request. We are looking forward for a fruitful relationship with you in our life-building campaign to develop and raise successful Filipino men and women to our beloved country.

Respectfully yours,
