**END-OF-SCHOOL YEAR SURVEY FOR GOKONGWEI BROTHERS FOUNDATION
CLASS BUILDER PROGRAM (SY 2025-2026)**

In line with the continued partnership with the Gokongwei Brothers Foundation (GBF) through the Class Builder Program, this Office disseminates information regarding the conduct of the End-of-School-Year (EOSY) Survey for School Year 2025–2026.

The survey aims to gather relevant data and insights from RO/SDO personnel, School Heads, and Master Teachers involved in the GBF Class Builder Program (Grades 3–6 Mathematics and ARAL Reading). The results will serve as key inputs for the preparation of the SY 2025–2026 Partnership Report and will guide planning and strategic alignment for the next year of implementation.

In this regard, all concerned personnel are requested to accomplish the survey on or before May 15, 2026 through the link provided below:

DR. ELIZABETH R. TOLENTINO
Education Program Supervisor - Mathematics
Division of Batangas Province

Dear Director Ibañez,

On the second year of GBF Class Builder's scale-up, the Gokongwei Brothers Foundation continues to strengthen its commitment to creating meaningful impact in STEM education, now reaching 9 partner regions, 45 divisions, over 5,800 schools, and more than 40,000 teachers nationwide. This progress reflects the strength of our collaboration, particularly with your office, whose continued support has been instrumental in enhancing program delivery and ensuring that teachers are effectively supported in improving classroom instruction.

As we prepare for the SY 2025–2026 Partnership Report in the division, we are currently conducting an **End-of-School-Year Survey among RO/SDO staff, School Heads, and Master Teachers (Mathematics and ARAL Reading)**. The results of this survey will form part of the report and will serve as key inputs to our planning and strategic alignment for the next year of implementation.

In line with this, we seek your support in **issuing a memorandum** requiring the participation of all concerned RO/SDO Personnel, School Heads, and Master Teachers in GBF Class Builder (Grades 3-6 Mathematics and ARAL Reading) to complete the survey through the link/QR code **on or before May 15, 2026**.
