ANTI - BULLYING FILM SHOWING CAMPAIGN ADVOCACY FOR PARENTS

The United Concerned Parents Advocacy of the Philippines (UCPAG Philippines, Inc.) propose to launch a comprehensive Anti - Bullying campaign advocacy specifically targeting parents of learners in all public schools in Batangas Province commencing in September 2026 onward for the School Year 2026 - 2027.

The activity aims to:

- **Educate and Raise Awareness**- through a series of engaging educational film showings, this empower parents with a deeper understanding of bullying in its various forms; its detrimental effects on children, and effective strategies for prevention and intervention
- **Foster Parental Engagement** - seek to encourage parents to actively participate in the anti - bullying campaign, recognizing their collective power in advocating for children's well - being and promoting culture of empathy and respect within their communities.
- **Provide Comprehensive Support** - provide complimentary seminars on bullying, offering practical guidance and resources for parents.

The following topics are:

- Identifying different types of bullying (physical, verbal, social, cyberbullying)
- Understanding the signs that a child is being bullied or is bullying others
- Effective communication strategies for parents to discuss bullying with their children
- Reporting mechanisms and available support systems within schools and communities
- Promoting empathy, kindness, and responsible digital citizenship

Participation on this activity is subject to the no-disruption-of-classes policy provided under DepEd Order No. 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on Task and Ensuring Compliance Therewith and the policy on off campus activities stated in DepEd Order No. 66, s. 2017

School Division of Batangas

Subject: Letter of Intent to Conduct "Stop Bullying Now Na!" Anti-Bullying Film Showing and Campaign Advocacy for Parents in Batangas Public Schools (SY 2026-2027) through the Parents-Teachers Association.

Our organization, UCPAG Philippines, Inc. is writing to express our profound interest in partnering with the Schools Division of Batangas to address the alarming rise of bullying nationwide. We propose to launch a comprehensive anti-bullying campaign entitled "Stop Bullying Now Na!" specifically targeting parents of students in all public schools across Batangas Province, commencing in September 2026 onward for the School Year 2026-2027 and during the BRIGADA ESKWELA 2026

We firmly believe that parents of our learners play a pivotal role in preventing and addressing bullying, and their active involvement is crucial for creating safer and more inclusive school environments. To this end, our initiative aims to:

- 1. Educate and Raise Awareness:** Through a series of engaging educational film showings, we intend to empower parents with a deeper understanding of bullying in its various forms, its detrimental effects on children, and effective strategies for prevention and intervention.
- 2. Foster Parental Engagement:** We seek to encourage parents to actively participate in the anti-bullying campaign, recognizing their collective power in advocating for children's well-being and promoting a culture of empathy and respect within their communities.
- 3. Provide Comprehensive Support:** As a testament to our commitment, we will provide complimentary seminars on bullying, offering practical guidance and resources for parents. Furthermore, to enhance community welfare, we are pleased to offer free eye check-ups and awareness program during the Brigada Eskwela program, recognizing the link between physical health and overall well-being.

Our proposed film showings and complimentary seminars will cover vital topics such as:

- Identifying different types of bullying (physical, verbal, social, cyberbullying)
- Understanding the signs that a child is being bullied or is bullying others
- Effective communication strategies for parents to discuss bullying with their children
- Reporting mechanisms and available support systems within schools and communities
- Promoting empathy, kindness, and responsible digital citizenship

We are confident that the "Stop Bullying Now Na!" campaign, through its innovative approach of educational film showings coupled with free seminars and health services, will significantly contribute to creating a safer and more supportive learning environment for all students in Batangas and strictly voluntary and non-graded.

We are eager to collaborate closely with the Schools Division of Batangas and Provincial Federation of Parents – Teachers Association of Batangas to ensure the successful implementation of this vital program. We are available to meet at your earliest convenience to discuss the specifics of this partnership and present a more detailed proposal.

Thank you for your continued commitment to building stronger communities for our children. We look forward to your participation and support. Please contact Kuya Ronald Gaon, Founder/Advocate at 0916-4367-973 or email at ronaldgaon71@gmail.com

Respectfully yours,

We fully support Senator Win Gatchalian's call for the implementation of the Parent Effectiveness Service Act as a key strategy to combat school bullying. Empowered parents are our first line of defense in protecting children's rights and well-being.

DepEd is working closely with the DSWD to pilot a school-based PES program in high-need areas—particularly those with elevated cases of bullying, teenage pregnancy, and malnutrition. Programs are set up to equip parents with the knowledge and tools to guide their children, uphold their rights, and foster positive, nurturing relationships both at home and in school.

Nakakabahala na ang lumalaking problema ng bullying sa mga paaralan. We remain as the bullying capital in the world despite the existence of the Anti-Bullying Act.

BREAKING THE SILENCE

AN ERROL ROPELO FILM

SYNOPSIS

Breaking the Silence follows Patrick, a senior high school student silently battling anxiety and depression while trying to navigate the overwhelming pressures of adolescence. Struggling with his own identity and feeling lost in a world that seems to judge him, Patrick's life takes a dramatic turn when he becomes entangled in the complex struggles of his classmates. Surrounded by bullying, violence, and the stigma surrounding mental health, Patrick finds himself standing up for those who have been suffering in silence far too long.

As he faces bullying of his own and witnesses the pain of others, Patrick realizes that strength doesn't come from keeping his emotions locked away. True courage comes from speaking out and embracing vulnerability. With newfound resilience, Patrick challenges the toxic culture of silence, bullying, and violence that has plagued his school for years. He transforms from a quiet, struggling student into a powerful voice for change, fighting not with fists but with understanding and compassion.

Through his journey, Patrick becomes a beacon of hope, leading a movement to break the silence and end the cycle of violence. He learns that the most powerful weapon in the fight against bullying and mental health stigma isn't violence—it's empathy, unity, and speaking up. As he works to create a more supportive environment for his peers, Patrick inspires not only his friends but also his family and community to stand together and speak out.

Breaking the Silence is an unforgettable, inspiring story of courage, friendship, and the pursuit of personal growth. It reminds us all that one voice, one act of bravery, can spark a movement. In a world where bullying and violence are often ignored, Patrick's journey teaches us that every voice has the power to break the silence and make a lasting difference.

Ayon kay Ronaldo Gaon, Chairman at Co-Founder ng United Concerned Parents Advocacy Group Philippines, hindi natatapos ang responsibilidad ng mga magulang sa pagbibigay ng baon at pinansyal na suporta. Dapat din aniyang maglaan ng oras upang kumustahin ang mga anak, dahil ang mga magulang ang dapat unang nakaalam sa kalagayan ng kanilang mga anak.
