Dear Ma'am:

Greetings in Christ's most precious name!

"Even so, it is not the will of your Father in heaven that one of these little ones should perish." (Matthew 18:14)

This verse prompted the birth of Child Evangelism Fellowship (CEF) in 1937, a faith mission organization dedicated to evangelizing, discipling, and channeling children to Bible-believing churches for Christian living in partnership with "KASIMBAYANAN".

This threefold purpose is achieved through various Christian ministries, one of which is the Elementary Schools Evangelistic Campaign (ESEC), a one-time activity where we share God's Word, distribute free Christian books, and perhaps present a relevant film to all learners from both Elementary and High School in selected public schools in Batangas for the School Year 2026-2027.

In this regard, we assure your good office that proper coordination with school heads in adherence to all existing DepEd guidelines, child protection policies and health protocols will be strictly observed.

In view thereof, we humbly seek your approval to implement the said activity.

We are hopeful for your favourable response and support.

Thank you for your kind consideration. God bless you abundantly.

Respectfully yours,

Dear Ma'am:

In response to the government's call to integrate moral values in the public school curriculum nationwide, Child Evangelism Fellowship of the Philippines (CEF) has been conducting values education classes (**EHSVEC**) in various public elementary and high schools across the country, free of charge.

These classes, which run for the whole year, are held once a week for 30 minutes, at the convenience of the school and its learners. Our teaching materials, 'Living and Loving God's Way,' focus on helping children develop right attitudes and values, such as self-control, kindness, and contentment. We believe that these values will have a profound impact on the character of our children, enabling them to become successful and God-fearing individuals in the future.

We kindly request your approval to conduct EHSVEC in all public schools under your jurisdiction for the School Year 2026-2027.

We assure your good office that proper coordination with school heads in adherence to all existing DepEd guidelines, child protection policies and health protocols will be strictly observed.

Dear Ma'am,

Greetings!

In response and support to the Government's call to teach moral values in all public schools throughout the country, Child Evangelism Fellowship of the Philippines (CEF) has been conducting for the past several years, each program of Elementary and High School Values Education Classes (EHSVEC) in different public schools, both Elementary and High School all over the country for free.

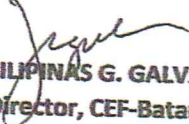

In order to conduct EHSVEC in public schools, we would only consume 30 minutes once a week, teaching at the convenience of the school and pupils, which will only last for 3 consecutive months. The materials we are using are: LIVING AND LOVING GOD'S WAY. Living God's Way was designed to help children focus their lives in Developing Right Attitudes, where topics such as Anger or Self-control, Fear, Envy or Contentment and more are taught and discussed. Loving God's Way was designed for teaching and practicing love in the family of God, where topics such as Love One Another, Speaking Kindly to One Another and Helping One Another are taught.

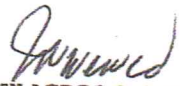

We at CEF family firmly believe that these values will greatly influence and change the children's character enabling them to be successful and God fearing someday.

In view of the above, we would like to request for your approval to allow us to conduct EHSVEC in all public schools under your jurisdiction this coming SY 2025-2026.

Thank you very much for your positive response to our request. We are looking forward for a fruitful relationship with you in our life-building campaign to develop and raise successful Filipino men and women to our beloved country.
