**GOKONGWEI BROTHERS FOUNDATION (GBF) CLASS BUILDER LAUNCH**

Gokongwei Brothers Foundation (GBF) value partnership in empowering educators and inspiring learners across the division, specifically through the GBF Class Builder Program.

In reference to the communication from the Gokongwei Brothers Foundation (GBF) regarding the implementation of the upgraded GBF Class Builder for School Year 2026–2027, this Office informs all concerned that the Upgraded GBF Class Builder Launch – CB Leads Session will be conducted on June 25, 2026.

The activity aims to orient designated Class Builder (CB) Leads on the upgraded GBF Class Builder platform, its enhanced features, updated learning resources aligned with current DepEd initiatives, teacher certification opportunities, and community engagement mechanisms that support effective Mathematics instruction.

For further information, guidance, and specific details regarding the conduct of the activity, participants are advised to refer to the attached communication letter from the Gokongwei Brothers Foundation (GBF)

For information and widest dissemination.

 Education Program Supervisor - Mathematics  
 SDO Batangas Province

Dear Dr. Ibañez,

As we begin a new school year together, the Gokongwei Brothers Foundation would like to express its sincere appreciation for your continued partnership in strengthening the implementation of GBF Class Builder across the Schools Division Offices (SDOs) in your Region. We deeply value our active collaboration in enhancing teaching and enriching learning.

As part of our ongoing partnership this School Year 2026–2027, we have begun conducting launch sessions with GBF Class Builder Leads to share key upgrades to the program. These include the introduction of the upgraded and more responsive platform, expanded learning materials aligned with recent DepEd updates such as the 3-Term Calendar and the ILAW Format Lesson Plan, opportunities for certification in active learning, and communities for them and their co-teachers within the program.

In this regard, **may we respectfully request from you the following:**

#	Request	Participants	Details
1	Approve and disseminate rescheduled dates of the Upgraded GBF Class Builder Launch - <b>CB Leads Session</b> for the remaining <b>DepEd Region 1 Divisions</b> .	<b>CB Leads Only</b> (1 representative per key stage per school)	<b>To attend this launch, CB Leads should do the following:</b> 1. Ensure they are part of the division list of CB Leads prepared by EPS Math. 2. Make sure to attend the CB Leads session on <b>June 19, 2026, 3:30 PM via MS Teams</b> .
2	Approve and ensure attendance of <b>Enrolled Grades 1-8 Math Teachers</b> to the Upgraded GBF Class Builder Launch - <b>Nationwide Session</b> .	<b>All Grades 1-8 Mathematics Teachers</b>	<b>To attend the launch, teachers should do the following:</b> 1. Ensure they are part of the division list of Math teachers prepared by EPS Math. 2. Register through the provided form: <a href="http://bit.ly/GBFCB2627Registration">bit.ly/GBFCB2627Registration</a> 3. Choose one launch schedule (June 4, 5, 10, or 11, 2026 at 4:00 PM) through the form. 5. Join the official GBF Class Builder Facebook Community. (See entry below). 6. Make sure to attend chosen date of session.
3	Disseminate and ensure membership of all GBF Class Builder Teachers to the <b>Official GBF Class Builder Community</b> via Facebook	<b>CB Leads and Grades 1-8 Math Teachers, Regional and Division Officials, PSDS, Principals School Heads</b>	<b>To join the Facebook Community, go the group:</b> <a href="https://fb.com/groups/gbfclassbuildercommunity">fb.com/groups/gbfclassbuildercommunity</a> Please ensure to answer membership questions as you enter to be approved.

Additionally, to help schools fully benefit from the opportunities available through GBF Class Builder, we seek your support in encouraging all enrolled teachers to **activate and regularly use their individual accounts**. We strongly discourage the sharing of accounts and downloaded files among teachers, as certification, usage and support data are tied to each teacher's account. Using accounts individually also enables us to better understand teacher engagement and learning needs, allowing us to provide more relevant support to schools, divisions, and regions throughout the school year.

Thank you for your continued partnership and support. We look forward to another year of collaboration in empowering teachers and improving learning outcomes.

Sincerely,

  
**ANGELA DIANNE AGUSTIN**
