Warm 3Z Greetings!

The 3ZERO Club Convention is an annual gathering of youth and student leaders from across the Philippines. For two years, this convention has served as a platform for thousands of young people to learn, connect, and collaborate with fellow youth leaders while gaining insights from experts in various fields.

This year's 3ZERO Club PH Convention, themed "**Youth Leads 3: Shaping the Future Through Purpose, Innovation, and Social Action,**" will take place on July 25, 2026, from 8:00 AM to 4:00 PM at Lemery Colleges, Lemery, Batangas.

In this regard, we would like to formally invite **10 student participants from each school within your division** to take part in this gathering. This event will provide an opportunity for participants to engage in inspiring discussions, participate in interactive activities, and network with fellow young leaders. **Snacks and lunch will be provided during the event.**

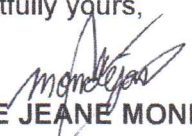

Participants may register through this link: <https://forms.gle/HET43K9n9kUVdMYt7>
