Dear Director Escobarte:

In view of the declining moral and spiritual aptitude of the youth/students the Mahanaim Glory Ministries Inc. would like to collaborate with the government's effort to address or resolve the afore-mentioned problem, specifically in Lian, Batangas and adjacent towns.

In this connection, we would like to offer our service by way of conducting "room to room evangelism" during the time schedule allocated to Edukasyon sa Pagpapakatao (Good Manners and Right Conduct) for elementary students and time slot to Values Education for high school students.

Rest assured that the said activity shall focus only on preaching and teaching of the pure word of God (without touching on any specific doctrine) and praying for the physical, moral and spiritual needs of the students aimed at restoring their faith and moral values.

Feedbacks gathered from our actual engagements with elementary and high school students from Antipolo City where we were given permit disclosed that significant numbers of students are experiencing mild to severe depression while some are on the verge of committing suicide due to social and economic pressures (inside and outside school). Almost all of the students also made some manifestations that similar activity be undertaken periodically if not regularly because such activity, according to them, gives them hope and courage to face the battles of life.

Hoping for your favorable action on this request.

Very truly yours,

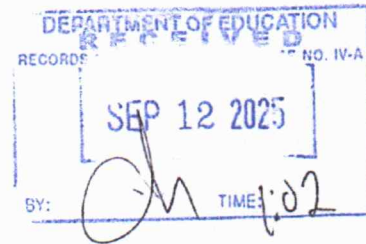

A handwritten signature in black ink is written over the words 'Very truly yours,'.
