Dear Dr. Ibañez:

Warm greetings from the Credit Information Corporation (CIC)!

In line with our mandate on financial literacy, we would like to invite all teachers under your Schools Division Office to our upcoming webinar titled **“Credit Management 101: Empowering Educators for Financial Success,”** which will be held on **17 October 2025, from 9:00 a.m. to 12:00 p.m.,** live via Zoom and simulcast on CIC’s official Facebook page.

The CIC Academy is our flagship initiative to promote financial wellness among Filipinos, especially educators who play a vital role in shaping the nation’s future. Recognizing the unique financial challenges that Filipinos often face, we want to equip everyone with practical knowledge as well as provide financial decisionmaking tools and build towards a secure and prosperous financial future.

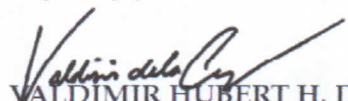

The CIC is a government-owned and controlled corporation established under Republic Act No. 9510, also known as the Credit Information System Act. As the country’s sole public credit registry, CIC plays a vital role in strengthening the financial system by safeguarding credit data and promoting responsible borrowing and lending practices. To further this advocacy, we launched CIC Academy in 2022 and have already empowered nearly 40,000 Filipinos nationwide.

This year, we would like to invite Filipino teachers as a key pillar in nation-building and economic development. As educators shape the minds of future leaders and professionals, their financial well-being is essential not only to their personal stability but also to the broader progress of our country.

Registration is FREE via this link: bit.ly/WebinarforBasicEducationTeachers. Ms. Jocelyn J. Ibañez, (jocelyn.ibanez@creditinfo.gov.ph) will coordinate with your office on the details of this request.

We look forward to partnering with your Division in cultivating financially capable and confident educators.
