**ANNUAL NATIONAL CONGRESS AND GENERAL ASSEMBLY
OF THE PHILIPPINE LIBRARIANS ASSOCIATION INC.**

The Philippine Librarians Association Inc. (PLAI), in partnership with the National Commission for Culture and the Arts through the National Committee on Library and Information Services, the National Library of the Philippines, and the Medical and Health Librarians Association of the Philippines, invites librarians to its Annual National Congress and General Assembly at the SMX Convention Center, Bacolod City, on November 23–26, 2025.

With the theme, PLA I BRIDGES: Borderless. Research-based. Innovative. Developmental. Global. Equitable. Sustainable, this year's Congress aims to

- strengthen the network of librarians from diverse backgrounds and locations, fostering the exchange of experiences, challenges, and best practices beyond borders;
- share library practices rooted in organizing, acquiring, disseminating, and providing access to evidence-based resources;
- present the latest technologies, methods, and innovations that enhance the quality and value of library and information services;
- promote a growth mindset and professional advancement through active participation in learning sessions and research opportunities;
- encourage international and cross-sectoral exchange among librarians at various career stages and from diverse settings;
- champion inclusive and equitable library services, especially for underserved communities; and
- share practices that align with and support the United Nations Sustainable Development Goals.

There will be plenary and parallel sessions sponsored by sectoral library associations to discuss topics relevant to the different types of libraries (e.g., academic, public, school, and special). The General Assembly will be held to present updates and provide a venue for discussion of concerns relating to the association and the profession in general.
