**FIRSTSUN PRODUCTION THEATER ARTS-IN-EDUCATION PROGRAM
(SY 2026-2027)**

With reference to the letter from Rodel J. Mercado, President/Artistic Director, FIRSTSUN PRODUCTION, regarding the live theater performances.

This activity aims to leverage live performing arts as an immersive learning resource across various academic subjects to foster creativity, self-expression, and active participation among young learners regardless of their socio-economic background. Through its diverse theatrical productions, the initiative seeks to heighten awareness and ignite reflection on critical public health and socio-economic issues—such as destigmatizing HIV/AIDS, educating on HPV prevention, addressing mental health and social media pressures, awakening patriotism, and promoting family values and cultural appreciation. Ultimately, it strives to inspire students to make informed choices and guide them toward becoming responsible, value-driven, and resilient citizens.

Kindly refer to the attached letter for more details regarding the activity.

Furthermore, those interested in participating are reminded of the following conditions:

- a. The Schools Division Office shall be informed, in writing, of the school's participation in the said activity;
- b. Participation shall be strictly voluntary and shall not be made compulsory for any learner, teacher, or school;
- c. Any expenses to be incurred shall be shouldered personally by the participants or sourced from a legitimate local government unit (LGU), donor, or other lawful funding source, subject to existing DepEd policies; and
- d. Strict observance of the Department's Time-on-Task Policy and No Disruption of Classes Policy shall be maintained at all times.

For information of all concerned.

Schools Division Superintendent
Department of Education – Schools Division of Batangas Province

Subject: : Request for the Issuance of a DepEd Advisory on FirstSun Production's Theater Arts in Education Program (School Year 2026–2027)

Dear Dr.Ibañez ,

Greetings!

FirstSun Production mission and vision are to heighten awareness of significant **health, historical, and social issues** through the performing arts, targeting youth as a niche audience. Over the years, we have produced several live theatre performances that were shown all over Luzon.

For its 2026 to 2027 Theatre Season, FirstSun Production would like to showcase our **theater-arts-in-education** advocacy depicting the powerful impact of theater arts in education and development of our next generation learners. The core value of our socio-economic themed plots is that all young generations regardless of their economic status deserve access to the highest form of art – theater. Crafted as a form of entertainment yet intended as a means of integral learning to enhance self-expression, encourage reflection, creativity, active participation, and personal vision directed towards enriching collective consciousness to find delight in the presence of diverse experiences even at a young age.

As part of special learning resource and immersion experience to students in **Filipino; English; Aralin Panlipunan; MAPEH; Values Education; Humanities; Understanding the Self; Social Studies; Science and NSTP Subjects** our theater-arts-in-education offerings are as follows:

- "POSITIBO" (An HIV Awareness Play)
- "Ka.SEEN.Halaga (HPV, Out!)
- "BANAAG" (A Ray of Light)
- "MONUMENTO" (1896)
- "DAPHNE and the OLYMPIANS"
- "Saglit Lang, Totoo Na"

All directed by ALIW & LEAF Awards (Live Entertainment Arts Festival) Best & Outstanding Director Awardee Rodel J. Mercado.

In line with the advances in technology, next generation learners are facing relational dysfunction that elicits DEPRESSION, ABUSE, and ADDICTIONS of various forms e.g. body image, food, alcohol, love, sex, drugs, material possessions and social status which inspired us to mount –

1. "POSITIBO" (an HIV Awareness Play)

As HIV diagnoses rocketed 500% over 10 years in our country, appearing like we are losing the fight against one of our society's largest public health crisis -- HIV (Human Immunodeficiency Virus) epidemic born - "POSITIBO" is a trilogy of individuals with different social status whose story revolves around the real issues, dilemma, struggle, and impact of the virus when it intersected their lives and the effect on relationships between family members. This production aims to (1) break the stigma associated with HIV/AIDS; (2) understand the misconceptions and discriminatory attitudes towards people living with HIV; (3) present preventions & safe practices as protection against

exposure to HIV; (4) exhibit the perceived experiences of the patients from the discrimination, labelling and isolation by the public's lack of acceptance; (5) promote theatre as a powerful medium in inculcating values and respect for the equal rights of a fellow human being with HIV to live and regain a long, happy and fulfilling life.

2. "Ka.SEEN.halaga (HPV, Out!)"

Not a lot of people talk about HPV, a cancer-causing virus that takes the lives of many. Although most of those afflicted by it remain invisible, three characters in the play Ka.Seen.halaga HPV, Out! find ways to be heard and seen. A play that talks about the dangers and prevention of Human Papillomavirus (HPV) and Human Immunodeficiency Virus (HIV) that are often unheard of or ignored.

3. "BANAAG" (A Ray of Light)

"BANAAG" is a representation of seven young individuals' self-expression alike headless chicken dancing in the dark searching for light (freedom, happiness, acceptance, elation, etc.) as they find their place and self-worth shaped by today's image-based on society ending up confused and short in comparison to perceived ideals blown out of proportion in social media platforms. The image of perfection had fired up unrealistic versions of reality and false self-image that made their contrast-filled life appear pointless which made them question their existence and life's purpose.

4. "MONUMENTO" (1896)

This production inspires to awaken the heroes in ordinary people by touching their hearts and minds and asking them these questions: (1) What is the best thing one can do for the country? and (2) Is the youth still the hope of our future? Though stimulating and at times thought-provoking this play seeks to remind people especially the younger generation of patriotism and the values where our nation was built. It leaves no concern whether the answers to the questions stated above will measure up to the selfless acts of our heroes who sacrificed and gave everything for the freedom and betterment of our motherland.

This play also reflects the torment that our country has been facing in the likes of poverty, crime, corruption, and indifference that our heroes thought should have ended as we are liberated in the past but still affect us to this day.

5. "DAPHNE and the OLYMPIANS"

This production tries to explain complex life problems through existing examples that are easy to understand and to follow coming from a level of power and authority represented by the Greek Gods and Goddesses.

6. "SAGLIT LANG TOTOO NA"

Saglit Lang, Totoo Na is a collection of short plays from renowned Filipino writers. This compilation of unique short plays explores themes of love, loss, sex, infidelity, respect, relationships, and self-discovery, woven into different settings and circumstances.

The works featured in "Saglit Lang, Totoo Na" include:

Frank Rivera, Liza Magtoto, Vincent De Jesus, Alfonso Dacanay, Rene Villanueva, Glory Ann Nacional and Caleb Alvarez.

Directed by Rodel Mercado, "Saglit Lang, Totoo Na" integrates elements of comedy, drama, and reflection ensuring that the audience is entertained while also deeply moved. Each play offers a window into Filipino culture, examining relationships, family dynamics, and emotional connections in a way that is both relatable and engaging.

These productions address pressing issues faced by today's learners, such as health education (HIV/HPV awareness and prevention), mental health struggles, patriotism, family values, social justice and personal development. Each play aims to inspire students to reflect, engage, and make informed life choices.

Importantly, we would like to emphasize that participation in our **Theater-Arts-in-Education Program is VOLUNTARY**. Junior High School and Senior High School Students may choose to attend, and schools have full discretion in facilitating access for their learners.

For the safety and convenience of students, faculty, and staff, the performances will be staged in accessible venues such as school auditoriums, gymnasiums, sports complexes, or convention centers within the City School and Municipality. Additionally, we will coordinate to the Local Government Unit to seek Medical and Security Personnel

such as **Disaster Risk Reduction and Management Office (DRRMO)**, **Traffic Management Unit Office (TMO)**, **Philippine National Police (PNP)** to ensure a safety and convenient environment.

In line with this, we respectfully request your good office to issue a **Letter of Advisory**, which will serve as a requirement in presenting our theater productions to public schools within your Division/Region.

Target Show Dates: September 2026 to March 2027 on a weekend (Saturday & Sunday) to avoid disruption of regular classes. Your support will enable us to bring this advocacy closer to our youth and ensure that education through theater remains a strong channel for shaping responsible, creative, and value-driven citizens.

We are hopeful for your favorable response and partnership in this endeavor.

Thank you very much, and may your office continue to guide our learners toward a brighter future.

Respectfully yours,
