**Subject: Request for Approval of Entrance Exam Guidelines**

Dear SDS,

I hope this message finds you well.

As we approach the end of the school year, I have drafted the exam guidelines for BPHSCA for the school year 2026-2027. While these guidelines follow the yearly pattern, I have made some modifications to account for dissemination and the number of potential recipients. Recently, I discussed the following changes with Sir Samson M. Isaga, Executive Assistant 5 and Chief Officer of the Provincial School Board:

1. The scholarship for Young Art Scholars must be evenly distributed among the municipalities under the jurisdiction of SDO Batangas.
2. Although the guidelines state 140 scholars, only the top 35 applicants will be qualified for the scholarship in the next school year. There will be no waiting list, and during the adjustment period (first quarter), if any student decides to back out, no replacement will be made.
3. Aspirants from the City of Batangas will be treated as regular applicants since the school is located within the city.

I hope that the Entrance Examination for Young Art Scholars will be posted soon. Thank you very much for your attention to this matter. More power to you!

Respectfully,

  
REYNALDO S. DE MESA  
School Head
