Implementation Plan for Interactive Poster Presentation
Division of Batangas Research Convergence
January 29, 2026

Session Manager: Dr. Maria Celita B. De Leon
Session Facilitator: Dr Lorna Dinglasan

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Scope of the Interactive Poster Presentation	The interactive poster presentation is “the poster says it all” is a redefined platform for presenting poster research. A. Technical Requirements: The following are the elements included in the presentation: 1. Title and Author Information 2. Introduction and Objectives 3. Methodology 4. Key Findings 5. Discussion and Implications 6. Conclusions and Recommendations 7. Implication 8. Visual and Clarity 9. Engagement Features 10. Acknowledgements and References	Must have set-up already during the Preliminaries	Session Manager Research Interactive Poster TWG
	B. Venue Set-Up – a dedicated venue for interactive posters assigned by the Program Manager/s		
II. The Showcase Event- The showcase event should be structured to maximize interaction	A. Brief Talk – The interactive research presentation will be started with a brief talk about the importance of research in teaching as well as the appreciation to the interactive posters on display. In the session opening program, the panel of evaluators are already presented.	5-10 minutes per researcher/presenter	Session Manager & Session Facilitator

	B. Evaluation Walk – The panel of evaluators will walk around and speak directly with the researcher/s about their research. They will take important notes to help them rate each research in the tool/ criteria.		Researcher/ Presenter Assigned Timer Panel of Evaluators
III. Role of the Panel of Evaluators- consists of experts in the research area. Primary task is to assess the quality of the work and the speaking ability of the researcher/ presenter	Assessment Criteria: See attached	5 – 10 minutes per researcher/ presenter	

***Implementation Plan for Research Innovation and Utilization Showcase**
Division of Batangas Research Convergence
January 29, 2026

Session Manager: Dr. Emiteria B. Villamor
Session Facilitator: Dr Julius A. Villavicencio

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Scope of the Showcase	A. Technical Requirements: The entries are winners from the 2025 Division Research Caravan in their respective sub-offices.	Must have set-up already during the Preliminaries	Session Manager Research Utilization and Innovation TWG
	B. Venue Set-Up – a dedicated venue for showcase assigned by the Program Manager/s		
II. The Showcase Event- The showcase event should be structured to maximize interaction	A. Brief Talk – The showcase will be started with a brief talk about the importance of research in teaching as well as the appreciation to the research innovation on display. In the session opening program, the panel of evaluators are already presented. B. Evaluation Walk – The panel of evaluators will walk around and speak directly with the researcher/s about their innovation. They will take important notes to help them rate each research in the tool/ criteria. C. Live Demonstrations (if any) – The panel of evaluators will also provide time for the researcher/s to show a specific tool or method works in real time (if any).	10-12 minutes per researcher/ presenter	Session Manager & Session Facilitator Researcher/ Presenter Assigned Timer Panel of Evaluators
III. Role of the Panel of Evaluators- consists of experts in the research area. Primary task is to assess the quality of the work and the speaking ability of the researcher/ presenter	Assessment Criteria: See attached	10-12 minutes per researcher/ presenter	

Implementation Plan for Oral Research Presentation
Division of Batangas Research Convergence
January 29 and 30, 2026

Session Manager: Dr Agrifina A. Dirain
Session Facilitator: Dr Myrna R. De Castro

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Preparation and Logistics -Focus on certain physical and technical requirements to ensure smooth run of the session	A. Technical Requirements: 1. Visual Aids – projector and laptop 2. Audio – microphones are ready and with spare	5- 10 minutes during the Preliminaries	Session Manager & Session Facilitator
	B. Venue Arrangement – separate the presenters from the panel of evaluators		Technical or ICT assigned
II. Presentation Guidelines and Timing – to maintain a professional academic environment, all participants must follow a strict timeline	A. Total Time Allotted: 15 minutes per presenter/ researcher B. Presentation Duration: 7-8 minutes: C. Question & Answer Period: 5 to 6 minutes for the panel to ask questions D. Transition Time: about 2 minutes to allow the next presenter to prepare <i>Note: Timer will signal if the presenter has 2 minutes remaining, then TIME IS UP when the time is already exhausted.</i>	15 minutes per Researcher or Presenter	Session Manager & Session Facilitator
			Technical or ICT assigned
III. Role of the Panel of Evaluators- consists of experts in the research area. Primary task is to assess the quality of the work and the speaking ability of the researcher/ presenter	A. Assessment Criteria: 1. Content Clarity – Does the research follow a logical path? If Action Research – does it follow the format of the Action Research? If Basic Research – does it follow the format of the Basic Research? 2. Delivery: Do the speakers maintain eye contact and speak with confidence?	15 minutes per researcher/ presenter	Researcher/ Presenter
			Assigned Timer Panel of Evaluators

	3. Defense – How well do the presenter/ researcher answer questions from the panel? 4. Visual Quality- Are the slides easy to read and relevant to the presentation?		
IV. Sequence of Activities – the three-step implementation process to be followed.	A. Phase I: The Introduction – the Session Facilitator will open the event, introduce the panel of evaluators, and explain the ground rules to the audience. B. Phase II: The Oral Delivery: 1. Each researcher/ presenter will present their findings. The audience is expected to remain silent during this time. Following the presentation, the panel of evaluators will lead the discussion by asking critical questions regarding the data or methods used. *Due to time constraints, the panel of evaluators will agree on who will ask questions to the presenter. They will not anymore ask question from each of them. C. Deliberation and Feedback: Once all presentations are done, the panel of evaluators will finalize the scores. Short, constructive comments will be provided to the presenters to help them improve further.	15 minutes per Researcher/ Presenter	Session Manager & Session Facilitator Technical or ICT assigned Researcher/ Presenter Assigned Timer Panel of Evaluators
V. Contingency Planning – it is vital to have Plan B for common issues	A. File failure – All presenters must bring their own presentation in a flash drive as backup B. Absence – if a presenter/ researcher is ill, notify the concerned personnel right away, and/ or have somebody to replace him/ her in the presentation C. Power Loss – if the electricity fails, researcher/ presenter should be ready to present using printed handouts	Self-Help	Researcher/ Presenter

**Implementation Plan for Research Bulletin
Division of Batangas Research Convergence
January 29 and 30, 2026**

Session Manager: Dr. Riza C. Gusano

Session Facilitator: Maria Elizabeth S. Andino

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Content Preparation and Review	A. Technical Requirements: Research Bulletin refers to a two-page (2) technical narrative that summarizes the results of a research study in a manner accessible to the public audience. It is a shortened version of a research study, similar to extended abstract, which captures the most essential elements of the study. 1. Entry or material is a summary of the research using simple language that is easy to understand. 2. Entry or material is a 2-page summary of the vital parts of Action or Basic Research. 3. All submissions should have been checked for similarity level which is below 15 percent. 4. Essential Parts of Research Bulletin: a. Introduction: composed of 1-2 paragraphs presenting the following components: -. Context of the Study -. Central problem of the Study -. Core Objective of the Study -. Type of research design -. Methodology -. Respondents -. Research Locale -. Ethical Consideration b. Results and Discussions – presents the essential findings, results and discussion for each specific	Time allotted during the preliminaries	Session Manager Research Bulletin TWG

	research question or objective. The number of paragraphs may vary. Use graphic organizers such as but not limited to tables, graphs, matrixes etc to support the findings. C. Conclusion and Recommendation – composed of 1-2 paragraphs which present a brief synthesis of the findings for the conclusion part, and specify corresponding recommendations. D. References – since the space allotted is limited, select the most notable references used in the study. Use Chicago Manual of Style : Ex: Dela Cruz, J. 2021. <i>Title is Italic</i>. Batangas: ABC Publishing House Co. B. Technical Specifications: Paper Size : A4 Font : Bookman Old Style (title – 14, text – 11, Ref – 7) Margin: Normal Spacing: Single space (no spacing) Orientation: Portrait Column: Single – Title, Author’s Details, Research Description; Double – text body B. Venue Set-Up – a dedicated venue for bulletin presentation assigned by the Program Manager/s		
II. Execution of the Presentation - The actual presentation must be professional and follow the set schedule.	A. Introduction – The Session Manager will open the event and explain the importance of the Research Bulletin. B. Researcher/ Presenter Session – Researcher/ Presenter will read their work in short, five-minute segment to maintain the interest of the audience. (Optional: Visual aids can be created such as simple slides or posters that support the verbal presentation without using complex technical terms.)	10-12 minutes per researcher/ presenter	Session Manager & Session Facilitator Researcher/ Presenter Assigned Timer Panel of Evaluators

	C. Question Period – 10 minutes Q & A is allocated for the panel of evaluators to ask questions and discuss the findings. *Timer: Assigned timer can signal the time remaining such as Last 2 minutes or Time is Up! to maintain the smooth flow of the presentation/ session.		
III. Role of the Panel of Evaluators- consists of experts in the research area. Primary task is to assess the quality of the work and the speaking ability of the researcher/ presenter	Assessment Criteria: See attached	10-12 minutes per researcher/ presenter	

Implementation Plan for Infographic Video Presentation
Division of Batangas Research Convergence
January 29 and 30, 2026

Session Manager: Dr. Peter D. Delos Reyes
Session Facilitator: Dr Rowena D. Ramirez

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Scope of the Infographic Video Presentation	An infographic video is an audio-visual presentation of data and information in the form of an online video. It is characterized by visual and graphical presentation of data with audio narration or simulation. It is both entertaining and informative in its content. A. Technical Requirements: The following are the elements included in the presentation: Length: 2 – 3 minutes Content: Dashboard: containing the title and central topic of the research Visual/ Graphic/ Animated presentation of: Contexts and problem of the study Objectives/ Rationale of the study Methodology Results & Discussion Conclusion & Recommendation and/or reflection Audio: Background music/ transitional audio Narrator: can be either visually present in the video or audio narrator	Must have set-up already during the Preliminaries	Session Manager Infographic Video TWG

	B. Venue Set-Up – a dedicated venue for Infographic Video presentation assigned by the Program Manager/s		
II. The Presentation- The presentation should be structured to maximize interaction	A. Brief Talk – The infographic research presentation will be started with a brief talk by the Session Manager about the importance of research in teaching as well as the appreciation to the infographic video to be played. In the session opening program, the panel of evaluators are already presented. B. Watching and Evaluating – The panel of evaluators will watch the prepared Infographic Video by each researcher/ presenter. *2-3 minutes – watching time *10 minutes Question and Answer – to be done by the panel of evaluators 2 minutes transition time **Timer will signal for remaining time and end of time of each presenter.	2 -3 minutes Watching time 10 minutes – Q & A 2 minutes transition time	Session Manager & Session Facilitator Researcher/ Presenter Assigned Timer Panel of Evaluators
III. Role of the Panel of Evaluators- consists of experts in the research area. Primary task is to assess the quality of the work and the speaking ability of the researcher/ presenter	Assessment Criteria: See attached

4. Presents the implications of the study to the intended community	2	
INTRODUCTION (Context of the study, Central problem of the study, Core objective of the study, Type of research design, Methodology, Respondents, Research locale, Ethical consideration)	35	
1. Presents the research gap or issues needed to be addressed in the study	5	
2. Includes relevant findings based on key literature or studies	5	
3. States well-formulated objectives and/or research questions	5	
4. Employs a research design that is aligned with the aim and scope of the research	4	
5. Utilizes an appropriate sampling technique or strategy	4	
6. Provides informative details about the research locale	4	
7. Provides a detailed information in collecting and analyzing data	4	
8. Provides detailed and appropriate information for ethical considerations	4	
RESULTS AND DISCUSSION	25	

1. Presents the results or any significant findings as supported by graphical presentations (tables, graphs, figures) in a clear manner	10	
2. Presents a comprehensive discussion of the findings as supported by related literature	5	
3. Discusses the findings based on the author's logical concepts and other experts' perspectives	5	
4. States possible implications for practice and policy	5	
CONCLUSIONS AND RECOMMENDATIONS	20	
1. Provides conclusions that clearly reflect the objectives of the study	5	
2. Establishes a connection between the present findings of the study and the existing knowledge and/or theories mentioned in the study	5	
3. Provides specific and feasible recommendations based on the findings of the study	5	
4. Provides clear information about the limitations of the study for future researchers' use/reference	5	
REFERENCES	5	
1. Follows the prescribed format in referencing (Chicago Manual of Style)	2	
2. Uses credible sources from peer-reviewed journals and other reputable online databases	1	
3. Provides sources that are traceable, listed, and cited	1	
4. Uses recent sources (within 5-10years) appropriate for the study except for historical research topics	1	
OTHER CONVENTIONS	5	
1. Uses A4 paper size in orientation format	2	
2. Uses Bookman Old Style (title:14, text:11, reference:7)	2	
3. Sets normal for the margins and single spacing for the text	1
