DIVISION MEMORANDUM

No. 087, s. 2025

ASSESSMENT RESULT OF ELLNA, NAT 6, AND NAT 12 FOR SY 2023-2024

To: Assistant Schools Division Superintendents
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Public and Private Elementary and Secondary School Heads
All Others Concerned

1. The results of assessments namely Early Language Literacy and Numeracy Assessment (ELLNA) for Grade 3 learners and National Achievement Test for Grade 6 and 12 learners have been released already for the information of both the division office and of the schools.
2. Every school head in the public and private schools shall use the results of the tests for planning purposes in the designing of the school's improvement plan focused on improving support in the delivery strategies of the curriculum to consequently level up the teaching efficiency of teachers by raising the learning outcomes of learners. Likewise, the schools with exemplary performances based on the results of the assessments are all encouraged to welcome all schools who will express intention to benchmark for best practices.
3. The public school district supervisors are expected to analyze the district school results and identify school heads and teachers who need equitable provision of technical assistance. In addition, to communicate the results of the analysis as well to the concerned private school heads.
4. The concerned education program supervisors are responsible for the results of the specific subject area under their responsibility in the entire division. The programs, projects, and activities shall concentrate on the low-performing schools to respectively address the issue. The clear interventions shall be articulated in the action plan reflecting on how the problems in a particular assigned area shall be resolved in a short or long-term plan and when technical assistance especially to schools under critical level of proficiency shall be provided.
