**GUIDELINES ON THE CONDUCT OF PRESENTATION PORTFOLIO ASSESSMENT
FOR ALTERNATIVE LEARNING SYSTEM ACCREDITATION AND EQUIVALENCY
ELEMENTARY AND JUNIOR HIGH SCHOOL LEARNERS
FOR SCHOOL YEAR 2022-2023**

I. Rationale

1. Section 10 of the Republic Act No. 11510² or the Alternative Learning System (ALS) Act states that the Department of Education (DepEd) shall regularly conduct ALS Accreditation and Equivalency (A&E) assessments and certification as a means to measure and certify competencies of ALS program completers and other learners who opt to secure elementary and secondary level certifications. Such assessments and certifications can be done both at the national and local levels.

Those who pass the junior high school A&E are qualified for senior high school or may enroll in selected technical vocational education and training programs, as appropriate, through the Technical Education and Skills Development Authority (TESDA).

2. Due to the restrictions imposed by the government in relation to the COVID-19 public health emergency, the Bureau of Education Assessment (BEA) was not able to administer the Accreditation and Equivalency (A&E) Test for School Year (SY) 2019-2020, 2020-2021, and 2021-2022 for Alternative Learning System (ALS) Elementary and Junior High School program completers.
3. In order to comply with the provision of the ALS Act and with the ALS Basic Education Learning Continuity Plan³, the Bureau of Alternative Education (BAE) proposed that an ALS Presentation Portfolio Assessment (PPA) be conducted in lieu of the A&E Test. The BAE, in consultation with the bureaus of the Curriculum and Teaching strand, Regional and Division ALS focal persons and implementors, proposed the guidelines for the conduct of the ALS PPA.
4. The three (3) ALS PPAs were conducted on March to May 2021⁴ (PPA I), August to October 2021⁵ (PPA II), and April to August 2022⁶ (PPA III), respectively.
5. As an alternative certification, the results of PPA Year 4 for ALS A&E Elementary Level (EL) and Junior High School Level (JHSL) Learners for SY 2022-2023 shall be used as bases for the **issuance** of the following:

• **A&E Elementary Level – Elementary Certificate**

² An Act Institutionalizing the Alternative Learning System in the Basic Education for Out-of-School Children in Special Cases and Adults, and Appropriating Funds Therefor.

³ DepEd Memorandum No. 067, s. 2020, Guidelines on the Implementation of the Alternative Learning System Programs in Light of the Basic Education Learning Continuity Plan.

⁴ DM-OUCI-2021-049, Guidelines on the Presentation Portfolio Assessment for ALS Elementary and Junior High School Completers of SY 2019-2020 and Previous Years.

⁵ DM-OUCI-2021-316, Guidelines on the Conduct of Presentation Portfolio Assessment for ALS Elementary Level and Junior High School Level Program Completers of SY 2020 – 2021 and Previous Years.

⁶ DM-CI-2022-126, Guidelines on the Conduct of Presentation Portfolio Assessment for Alternative Learning System Accreditation and Equivalency Elementary and Junior High School Learners for SY 2021-2022.

• **A&E Junior High School Level – Junior High School Certificate**

6. The conduct of the PPA Year 4 shall not only ensure that ALS learners are promoted to the next learning level. This too shall be in line with the **MATATAG Agenda** of DepEd to prepare learners for life, work, and sustainable development.

II. Definition of Terms

7. To ensure common understanding, the following terms in the guidelines are defined:
- a. **Certificate of ALS Program Completion** refers to the document issued to ALS Elementary or Junior High School program completer to qualify for the Presentation Portfolio Assessment (PPA).
 - b. **Certificate Number** refers to the unique number assigned by the Schools Division Office in the Certificate of Completion of the passer of the ALS Presentation Portfolio Assessment.

 - d. **District Qualifier** refers to an ALS learner who has satisfactorily completed the Presentation Portfolio Assessment requirements in the district validation.
 - e. **Division Qualifier** refers to District Qualifier who has met the minimum required points in the final assessment.
 - f. **Elementary Certificate** refers to the qualification document awarded to an ALS A&E Elementary (Grade 6) level PPA passer.
 - g. **Junior High School Certificate** refers to the qualification document awarded to an ALS A&E Junior High School (Grade 10) level PPA passer.
 - h. **Presentation Portfolio** refers to a collection of a learner's achievements, assembled specifically for assessment. It contains formal records that document the learner's background and experience, the learning process he/she has followed, and work samples selected by the learner to show what he/she can do. It also contains records documenting the learner's prior learning and records documenting the learner's progress toward achieving stated learning goals.
 - i. **Presentation Portfolio Assessment** refers to the process of measuring and certifying the competencies of ALS program completers through checking learners' formal records, evaluating, and validating the pieces of evidence in the work samples of their individual Presentation Portfolio. It covers four (4) phases which include - initial assessment, district validation, final assessment, and Inter-District Revalida .

An Inter-District Revalida (within the division) shall be conducted from **June 15 to July 15, 2023** by the EPS II for ALS (as the lead), and the Inter-District Validators (ALS Teachers designated by the SDS) to ensure that the Presentation Portfolios are original outputs of the learner. The Division ALS Focal Person or the Curriculum Implementation Division (CID) personnel assigned by the Schools Division Superintendent (SDS) may perform the task in the absence of the EPS II for ALS. The number of ALS Teachers to be designated as members of the team shall depend on the size of the district.

The Inter-District Revalida shall be based on the Masterlist of Division Qualifiers.

The Inter-District Revalida shall be conducted based on the agreed upon mechanism, schedule, and modality.

27. In case there are Division Qualifiers who failed to continue the validation process due to valid reasons, such as but not limited to a medical condition, transfer of residence, or employment abroad, the SDO shall determine the validity of the submitted documents. SDO shall develop an mechanism to continue /conduct the Inter-District Revalida process for the above-mentioned special cases.
28. The EPS II for ALS and the Inter-District Validators shall conduct in-person/face-to-face oral reading and writing proficiency tests (in Filipino and English) and interview.
29. The EPS II for ALS and the Inter-Validators shall use the rubric below for the oral reading and writing proficiency tests:

Oral Reading

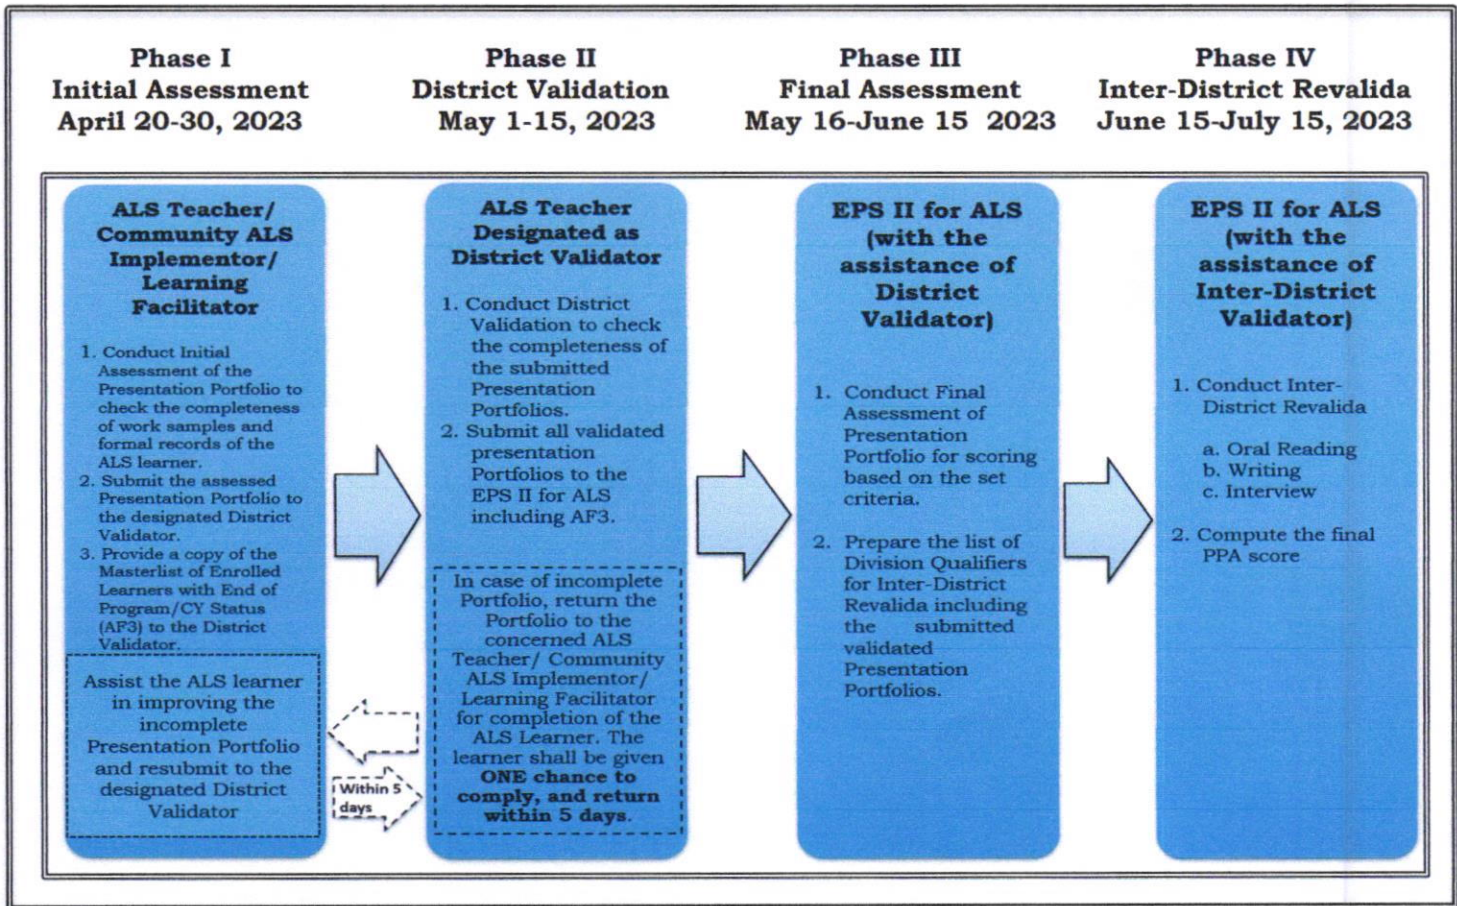

Score	Description
3	Can read all the words correctly and clearly. Can speak clearly and audibly.
2	Can read most of the words correctly and clearly. Can speak clearly and audibly most of the time.

1	Can read clearly but has the tendency to mispronounce some words. Frequently unable to speak clearly and audibly.
0	Mispronounce most of the words. Cannot speak clearly and audibly.

Writing

Score	Description
3	Can write legibly and provide clear and correct answers to the questions about the selection read. The ideas are logically sequenced and stated in complete sentences. Correct grammar, spelling, and punctuations are evident.
2	Can write legibly and provide broad answers to the questions about the selection read. The ideas are not sufficiently developed yet they are stated in complete sentence. Only few errors in grammar, spelling, and punctuations are observed.
1	Can write legibly but answers to the questions are incomplete about the selection read. The ideas lack organization, and they are stated in fragments. There are several errors in grammar, spelling, and punctuation that are identified and somehow affect the understanding of the answers.
0	Answer is inaccurate or not related to the question about the selection read. Not legible handwriting that makes it difficult to read with numerous errors in grammar, spelling and/or spelling that impede understanding. No answer was provided.

30. Division Qualifiers must demonstrate proficiency in oral reading and writing (both in Filipino and English) **with a minimum combined score of ten (10) points (with no individual proficiency test less than two (2) points).**
