Department of Education
REGION IV-A CALABARZON
SCHOOLS DIVISION OF BATANGAS

April 07, 2025

DIVISION MEMORANDUM
No. 187, s. 2025

**NOMINATION OF POTENTIAL PILOT SCHOOLS FOR THE STRENGTHENED
SENIOR HIGH SCHOOL PROGRAM**

TO: Assistant Schools Division Superintendent
Chief – Curriculum Implementation Division (CID)
Chief – School Governance and Operations Division (SGOD)
Education Program Supervisors
Public Schools District Supervisors
School heads – Private and Public Secondary (Senior High)
All Others Concerned

1. Pursuant to Joint Memorandum OM-OSEC-OUOPS-2025-01-02265 and Regional Memorandum No. 264, s. 2025, the Department of Education is set to implement preparatory activities for the Strengthened Senior High School (SSHS) Program.

2. In line with this, the following schools are hereby nominated as potential pilot implementers of the SSHS Program:

Sta. Teresa College
Padre Garcia Integrated National High School
Rizal College of Taal, Inc.
Lemery Senior High School

3. The identified schools are expected to participate in and accomplish a series of activities aligned with the implementation timeline and preparatory requirements as outlined in the referenced memoranda. These activities will include but are not limited to orientation, capacity-building sessions, curriculum alignment, infrastructure readiness assessments, and stakeholder consultations.

4. All concerned are enjoined to attend the orientation meeting at 8:00 AM on April 8, 2025, at the Lemery Sub-Office, including the School Principals and Assistant Principals of the aforementioned schools, and respective School Registrars with their District Supervisors. The meeting will focus on the program's expectations, roles, responsibilities, and initial deliverables in preparation for the implementation of the Strengthened Senior High School Program. Attendees are advised to bring relevant school data and supporting documents that will aid in the discussion and alignment of implementation plans.

5. The school heads of the nominated schools are directed to coordinate closely with the Curriculum Implementation Division and assigned SHS Division Coordinator to ensure compliance with the required deliverables within the indicative timeline. More so, district supervisors of the abovementioned schools are expected to give full support and guidance to the school-nominees.

Republic of the Philippines

REGION IV-A CALABARZON
SCHOOLS DIVISION OF BATANGAS

6. Further, this memorandum shall serve as the travel order for all participants and personnel involved in the activities covered by the attached issuances.
7. For confirmation of attendance and inquiries, participants may coordinate with Dr. Ma. Leticia Jose C. Basilan at 09997831488; 09171496643; email: maleticiajose.basilan@deped.gov.ph.
8. Immediate dissemination and strict compliance with this Memorandum are earnestly desired.

THE OFFICE OF THE SECRETARY

JOINT MEMORANDUM

OM-OSEC-OUOPS-2025-01-02265

TO : **UNDERSECRETARIES
ASSISTANT SECRETARIES
BUREAU AND SERVICE DIRECTORS
REGIONAL DIRECTORS
ALL OTHERS CONCERNED**

FROM : 
ATTY. FATIMA LIPP D. PANONTONGAN
Undersecretary and Chief of Staff

MALCOLM S. GARMA
*Assistant Secretary, Officer in Charge
Office of the Undersecretary for Operations*

SUBJECT : **NOMINATION OF POTENTIAL PILOT SCHOOLS
FOR THE STRENGTHENED SENIOR HIGH SCHOOL
PROGRAM**

DATE : April 4, 2025

1. In preparation for the pilot implementation of the Strengthened Senior High School program in School Year (SY) 2025-2026 for **Grade 11 Learners**, the Department of Education (DepEd) issues the enclosed guidelines on the **Nomination of Potential Pilot Schools for the Strengthened Senior High School (SHS) Program**. These guidelines aim to establish a structured and transparent process for identifying schools that are willing and ready to implement the program. This document also outlines the roles and responsibilities of Regional Offices (ROs), Schools Division Offices (SDOs), and school heads.
2. Selecting schools that are ready and equipped to implement the new curriculum is essential to identify best practices, address challenges early, and refine implementation strategies before a broader rollout. Thus, schools that will be nominated to participate in the pilot should have the necessary

Republic of the Philippines
Department of Education
THE OFFICE OF THE SECRETARY

teaching complement, learning resources, and stakeholder engagement to successfully carry out the strengthened SHS curriculum.

3. The **Central Office** will select pilot schools from the nominees provided by regional offices. The selection of pilot schools will be based on the design of the evaluation studies that will be conducted for the pilot implementation of the strengthened senior high school program.
4. To ensure that the pilot schools will have sufficient time to prepare for the incoming school year, the timeline for nomination of the potential pilot schools shall be from **April 4 to April 18, 2025** only. Regional Offices are encouraged to prepare their internal timeline of activities to ensure that they will be able to submit their list of recommended pilot schools by April 18, 2025.
5. The nomination process consists of four phases:

Phase	Activity	Governance Levels involved	Indicative timeline
Phase 1	Communicating the Reform and Confirming Interest	RO, SDO, School	1 day
Phase 2	Initial Planning Based on Teaching Complement and Learning Resources	School	1 day
Phase 3	Guiding Learners in preparing their Plan of Study	School	5 days
Phase 4	Selecting and Endorsing Recommended Pilot Schools	RO, SDO, School	2 days

Phase 1: Communicating the Reform and Confirming Interest

6. ROs will cascade key SHS reforms to SDOs and schools using official materials from the Central Office to ensure consistent presentation. The full suite of materials that may be used for orientation is listed in Annex A of this document. ROs, SDOs, and schools may freely use these materials for information sessions and orientations.

Republic of the Philippines
Department of Education
THE OFFICE OF THE SECRETARY

7. ROs, SDOs, and schools will coordinate to identify school heads who are interested in participating based on an initial presentation of key features and subject offerings.
8. Each SDO will compile a list of interested schools per division, which will serve as the basis for further planning. **Schools that did not express interest in participating in the pilot should not be required to accomplish the deliverables for the next phases.**

Phase 2: Initial Planning Based on Teaching Complement and Learning Resources

9. As a general rule, schools should offer electives only if qualified teachers are available to handle the subjects and learning resources are readily available or can be quickly obtained or developed. Thus, to generate an initial list of possible electives that may be offered by the school, the school heads will create an inventory of their available teachers. Please refer to Annex B for the recommended template for the inventory. Schools are advised to refer to their eSF7 as the starting point for this step to avoid repeating the data collection process.
10. Schools must additionally consider the availability of industry partners for work immersion when identifying TechPro electives that they will offer.
11. Schools need to update the **Plan of Study** (contained in Annex C - Landas Toolkit) to reflect only the electives that will be offered by the schools.
12. To help stakeholders visualize the key features of the Strengthened Senior High School program, schools may prepare sample class programs during this phase. Sample class programs are also included in the materials in the consultation packet, contained in Annex A.

Phase 3: Guiding Learners in preparing their Plan of Study

13. Schools will conduct an orientation for parents and learners, which should cover the following at a minimum:
 - a. Key features of the program
 - b. Indicative list of electives available in the school
 - c. Sample class programs (if available)
 - d. Process for accomplishing the plan of study

Republic of the Philippines
Department of Education
THE OFFICE OF THE SECRETARY

14. During the orientation, schools should document stakeholder feedback and concerns from the orientation and report them to the Regional Office.
15. After the orientation, the learners will be given 3 sessions to accomplish their plan of study, which is a component of the *Landas Toolkit*. Landas (Filipino for “pathway”) is a comprehensive toolkit designed to help high school learners navigate career choices, education tracks, and future opportunities through futures literacy, while fostering adaptability, resilience, and a stronger sense of agency. For the purpose of selecting the pilot schools, only “*Skill 4: Planning with purpose and intention*” will be implemented, utilizing the following tools: (1) Course Catalog of Electives, (2) Career/Elective maps, and (3) SHS Plan of Study. Please refer to Annex C for the full description of the *Landas Toolkit* and the session guides for the orientation of learners.
16. The printing of materials for the orientation may be charged against the School Maintenance and Other Operating Expenses (MOOE).
17. Schools will summarize learner preferences as indicated in the plan of study, and align them with the list of available teachers and subjects. From the summary, the school should be able to generate:
 - a. The final list of SHS subjects to be offered in SY 2025-2026
 - b. A draft class program for Grade 11
 - c. A draft of teachers’ workload

These details will be submitted using the Report Template, which is attached herewith as Annex D.

18. If schools determine during the preparation process that they lack sufficient teachers or resources to meet learner needs, **they are encouraged to reconsider their participation and withdraw their expression of interest in the pilot**. Such schools will then continue to implement the current version of the Senior High School curriculum in SY 2025-2026. They need not submit their full report to the Regional Office.

Phase 4: Select and Endorse Recommended Pilot Schools

19. School heads will submit a report to the Regional Office, detailing:
 - a. The planning process undertaken
 - b. The final list of SHS subjects to be offered in SY 2025-2026
 - c. The draft Grade 11 class program and the draft of teachers’ workload for SY 2025-2026
 - d. Any concerns or feedback regarding the curriculum

Republic of the Philippines
Department of Education
 THE OFFICE OF THE SECRETARY

e. Additional resource requirements, if needed
 Please refer to Annex D for the report template.

20. The Regional Office will review the reports and select the final list of recommended/nominated pilot schools per region based on the following rubric:

Criteria	4 - Excellent	3 - Good	2 - Fair	1 - Poor
A. Diversity of Electives Offering (30%)	<p>The school offers both Academic and TechPro electives.</p> <p>Within the Academic track, the school offers electives across all 5 clusters. Within the TechPro track, the school offers at least 4 electives.</p>	<p>The school offers only Academic or TechPro electives.</p> <p>Within the Academic track, the school offers electives in 3-4 clusters. Within the TechPro track, the school offers 3 electives.</p>	<p>The school offers only Academic or TechPro electives.</p> <p>Within the Academic track, the school offers electives in 2 clusters. Within the TechPro track, the school offers 2 electives.</p>	<p>The school offers only Academic or TechPro electives.</p> <p>Within the Academic track, the school offers electives in 1 cluster. Within the TechPro track, the school offers 1 elective.</p>
B. Sufficiency of Teachers (40%)	<p>All TechPro elective teachers have NC/TM certification.</p> <p>All teachers have no teaching overload.</p>	<p>Almost all TechPro elective teachers have NC/TM certification.</p> <p>Almost all teachers have no teaching overload.</p>	<p>Half of the TechPro elective teachers have NC/TM certification.</p> <p>Half of the teachers have no teaching overload.</p>	<p>No TechPro elective teachers have NC/TM certification.</p> <p>All teachers have teaching overload.</p>

Republic of the Philippines
Department of Education
THE OFFICE OF THE SECRETARY

Criteria	4 - Excellent	3 - Good	2 - Fair	1 - Poor
C. Availability of Facilities and Learning Resources (30%)	Facilities and resources are available for all electives and sections.	Facilities are available for all electives and sections, but there are limitations in the learning resources available.	Facilities are available, but may not necessarily be conducive to learning due to limited space. Some electives lack appropriate resources, or quality is inconsistent.	There is a severe lack of learning resources. Facilities are insufficient, such that the school needs to implement double shifting or alternative delivery modes.

Scoring Guide:

- 4.0 - 3.5: Highly Ready
- 3.4 - 2.5: Moderately Ready
- 2.4 - 1.5: Needs Improvement
- Below 1.5: Not Ready

Sample School Scores:

- **Diversity of Electives Offering: 3 (Good)**
- **Sufficiency of Teachers: 2 (Fair)**
- **Availability and Quality of Learning Resources: 4 (Excellent)**

Weighted Computation:

1. **Diversity of Electives Offering** → $3 \times 30\% = 0.9$
2. **Sufficiency of Teachers** → $2 \times 40\% = 0.8$
3. **Availability and Quality of Learning Resources** → $4 \times 30\% = 1.2$

Total Readiness Score:

$$0.9 + 0.8 + 1.2 = 2.9$$

Readiness Category:

- **3.4 - 2.5 → Moderately Ready**

21. Regional offices must use the following forms to score and nominate the pilot schools from their regions.

Region	Link to the Nomination Form
Region I	https://bit.ly/SHSPilotRegion1
Region II	https://bit.ly/SHSPilotRegion2
Region III	https://bit.ly/SHSPilotRegion3
Region IV-A	https://bit.ly/SHSPilotRegion4A
Region IV-B	https://bit.ly/SHSPilotRegion4B
Region V	https://bit.ly/SHSPilotRegion5
Region VI	https://bit.ly/SHSPilotRegion6
Region VII	https://bit.ly/SHSPilotRegion7
Region VIII	https://bit.ly/SHSPilotRegion8
Region IX	https://bit.ly/SHSPilotRegion09
Region X	https://bit.ly/SHSPilotRegion10
Region XI	https://bit.ly/SHSPilotRegion11
Region XII	https://bit.ly/SHSPilotRegion12
Region XIII	https://bit.ly/SHSPilotCARAGA
CAR	https://bit.ly/SHSPilotCAR
NCR	https://bit.ly/SHSPilotNCR

To ensure the security of the forms, only 1 representative from the regional offices will be granted access to the forms. The office of the Undersecretary for Operations will reach out to the Regional Directors to request the details of their representative.

Nominated schools must be submitted exclusively through the designated forms. **Submissions via any other channel will not be accepted.** Only the information provided in the forms by April 18, 2025 (EOD) will be considered. No additional schools will be accepted after this deadline.

Republic of the Philippines
Department of Education
THE OFFICE OF THE SECRETARY

22. There is no limit on the number of pilot schools a division can nominate. Regions are encouraged to identify and endorse as many suitable schools as possible, provided they follow the guidelines to check for their readiness and willingness.
23. For any related questions or concerns, the **Regional Offices** may reach out to Dir. Maggie Del Valle-Ramos of the Office of the Secretary through maguia.delvalle@deped.gov.ph.
24. Immediate dissemination of this Memorandum is hereby directed.

Annex C

Landas Toolkit

Skill 4 Full toolkit: bit.ly/SHS-Pilot-Landas

Landas (Filipino for "pathway") is a comprehensive toolkit designed to help high school learners, with the support of their teachers and parents, make informed career decisions. It guides learners in navigating career choices, education tracks, and future opportunities through futures literacy, while fostering adaptability, resilience, and a stronger sense of agency. By equipping learners with tools for long-term thinking and decision-making, Landas encourages them to shape their futures responsibly, with courage and care.

The Landas toolkit equips learners with 5 essential skills.

1. **Skill 1: Imagining multiple pathways and futures**

Learners can imagine and analyze different possible futures instead of a single fixed path.

2. **Skill 2: Exploring trends and opportunities**

Learners can stay curious, recognize trends, discover technologies, explore emerging opportunities, and take proactive steps toward their futures.

3. **Skill 3: Making decisions amidst uncertainty**

Learners demonstrate how to assess options and make informed decisions without knowing all the answers.

4. **Skill 4: Planning with purpose and intention**

Learners align their future plans with their personal values and goals by integrating prior lessons into a flexible and actionable roadmap for their future.

5. **Skill 5: Adapting to change**

Learners develop a mindset of learning from setbacks and adjusting to change.
