1. In reference to Division Memorandum No. 203, s. 2025 titled *Supervisor's Summer Provision of Technical Assistance to School Head and Department Heads*, and as part of the Division's continuous effort to enhance the quality of Science instruction and project implementation, the Schools Division Office of Batangas Province through the Curriculum Implementation Division shall implement the Science Technical Assistance Plan. This initiative aims to provide targeted technical support to schools based on their submitted reports or in cases where submissions are not received.
2. In line with this, schools are required to submit the following documents via email.
