1. In line with the advisory issued by the Land Bank of the Philippines (LANDBANK) regarding the expiration and replacement of LANDBANK ATM Cards, all officials and employees are hereby directed to check the expiration date of their respective LANDBANK ATM cards.
2. LANDBANK has advised that ATM cards with expiration dates from 2027 to 2029 are scheduled for replacement. Once expired, ATM cards can no longer be used for cash withdrawals, fund transfers, balance inquiries, and other banking transactions. 3. Accordingly, all concerned are advised to:
 - a. Verify the expiration date printed on the front of their LANDBANK ATM card;
 - b. If the ATM card is due to expire between 2027 and 2029, proceed to the servicing LANDBANK Branch to request a replacement prior to the card's expiration date; and
 - c. Ensure that the ATM card remains active and valid to avoid delays or interruptions in salary crediting and other government-related financial transactions.
4. Replacement cards will be issued as LANDBANK VISA PayWave or Mastercard Debit Cards, which offer enhanced security features, wider acceptance both locally and internationally, and improved access to LANDBANK's digital and electronic banking services.
