	*Due to time constraints, the panel of evaluators will agree on who will ask questions to the presenter. They will not anymore ask question from each of them. **C. Deliberation and Feedback:** Once all presentations are done, the panel of evaluators will finalize the scores. Short, constructive comments will be provided to the presenters to help them improve further.		
V. Contingency Planning – it is vital to have Plan B for common issues	**A. File failure** – All presenters must bring their own presentation in a flash drive as backup **B. Absence** – if a presenter/ researcher is ill, notify the concerned personnel right away, and/ or have somebody to replace him/ her in the presentation **C. Power Loss** – if the electricity fails, researcher/ presenter should be ready to present using printed handouts	Self-Help	Researcher/ Presenter

Implementation Plan for Research Bulletin
2026 Division Research Convergence
December 14-15, 2026

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Content Preparation and Review	**A. Technical Requirements**: The entries are winners from the 2026 Division Research Caravan in their respective sub-offices. Research Bulletin refers to a two-page (2) technical narrative that summarizes the results of a research study in a manner accessible to the public audience. It is a shortened version of a research study, similar to extended abstract, which captures the most essential elements of the study. 1. Entry or material is a summary of the research using simple language that is easy to understand. 2. Entry or material is a 2-page summary of the vital parts of Action or Basic Research. 3. All submissions should have been checked for similarity level which is below 15 percent. 4. Essential Parts of Research Bulletin: a. Introduction: composed of 1-2 paragraphs presenting the following components: -. Context of the Study -. Central problem of the Study	Time allotted during the preliminaries	Session Manager Research Bulletin TWG

	-. Core Objective of the Study -. Type of research design -. Methodology -. Respondents -. Research Locale -. Ethical Consideration b. Results and Discussions – presents the essential findings, results and discussion for each specific research question or objective. The number of paragraphs may vary. Use graphic organizers such as but not limited to tables, graphs, matrixes etc to support the findings. C. Conclusion and Recommendation – composed of 1-2 paragraphs which present a brief synthesis of the findings for the conclusion part, and specify corresponding recommendations. D. References – since the space allotted is limited, select the most notable references used in the study. Use Chicago Manual of Style : Ex: Dela Cruz, J. 2021. *Title is Italic.* Batangas: ABC Publishing House Co. B. Technical Specifications: Paper Size : A4 Font : Bookman Old Style (title – 14, text – 11, Ref – 7) Margin: Normal		

	Spacing: Single space (no spacing) Orientation: Portrait Column: Single – Title, Author's Details, Research Description; Double – text body **B. Venue Set-Up** – a dedicated venue for bulletin presentation assigned by the Program Manager/s		
II. Execution of the Presentation - The actual presentation must be professional and follow the set schedule.	**A. Introduction** – The Session Manager will open the event and explain the importance of the Research Bulletin. **B. Researcher/ Presenter Session** – Researcher/ Presenter will read their work in short, five-minute segment to maintain the interest of the audience. (Optional: Visual aids can be created such as simple slides or posters that support the verbal presentation without using complex technical terms.) **C. Question Period** – 10 minutes Q & A is allocated for the panel of evaluators to ask questions and discuss the findings. *Timer: Assigned timer can signal the time remaining such as Last 2 minutes or Time is Up! to maintain the smooth flow of the presentation/ session.	10-12 minutes per researcher/ presenter	Session Manager & Session Facilitator Researcher/ Presenter Assigned Timer Panel of Evaluators

Critical Areas of Focus	Specific Requirements	Time Allotment	Person/s Responsible
I. Scope of the Infographic Video Presentation	An infographic video is an audio-visual presentation of data and information in the form of an online video. It is characterized by visual and graphical presentation of data with audio narration or simulation. It is both entertaining and informative in its content. The entries are winners from the 2026 Division Research Caravan in their respective sub-offices. **A. Technical Requirements**: The following are the elements included in the presentation: Length: 2 – 3 minutes Content: Dashboard: containing the title and central topic of the research Visual/ Graphic/ Animated presentation of: Contexts and problem of the study Objectives/ Rationale of the study Methodology Results & Discussion	Must have set-up already during the Preliminaries	Session Manager Infographic Video TWG

	Conclusion & Recommendation and/or reflection Audio: Background music/ transitional audio Narrator: can be either visually present in the video or audio narrator		
	B. Venue Set-Up – a dedicated venue for Infographic Video presentation assigned by the Program Manager/s		
II. The Presentation- The presentation should be structured to maximize interaction	**A. Brief Talk** – The infographic research presentation will be started with a brief talk by the Session Manager about the importance of research in teaching as well as the appreciation to the infographic video to be played. In the session opening program, the panel of evaluators are already presented. **B. Watching and Evaluating** – The panel of evaluators will watch the prepared Infographic Video by each researcher/ presenter. *2-3 minutes – watching time *10 minutes Question and Answer – to be done by the panel of evaluators 2 minutes transition time	2 -3 minutes Watching time 10 minutes – Q & A 2 minutes transition time	Session Manager & Session Facilitator Researcher/ Presenter Assigned Timer Panel of Evaluators

	**Timer will signal for remaining time and end of time of each presenter.
