DIVISION MEMORANDUM

No. 607 s. 2024

ESPMATICAPSULE AND LEARNING HUBS SUSTAINABILITY UPDATES

TO: Office of the Schools Division Superintendent
Office of the Assistant Schools Division Superintendent
Curriculum Implementation Division
Schools Governance and Operations Division
Public Elementary and Secondary School Heads
All Others Concerned

1. The implementation of the Edukasyon sa Pagpapakatao (EsP) Curriculum focuses on fostering the holistic development of learners by instilling Filipino values, ethical decision-making, and character formation in alignment with the MATATAG Curriculum. It emphasizes the integration of real-life applications, cultural relevance, and independent learning to nurture responsible, value-driven individuals prepared for societal challenges. Guided by Republic Act No. 10533 (Enhanced Basic Education Act of 2013), the EsP Curriculum seeks to provide equitable and quality education that develops 21st-century skills while upholding Filipino identity and values. This approach ensures that both teachers and students are equipped with innovative strategies and resources to strengthen moral and ethical education.

2. For this reason, since FY 2020, the EspMATIC Learning Capsule was developed to address the need for accessible, centralized, and innovative resources to support the effective implementation of the Edukasyon sa Pagpapakatao (EsP) Curriculum. With the increasing demand for quality assurance (QA) materials and timely curriculum updates, EspMATIC serves as a vital tool for teachers to enhance their instructional strategies and align with the objectives of the MATATAG Curriculum. By streamlining access to essential teaching materials and fostering collaboration among educators, EspMATIC ensures that teachers are well-equipped to deliver value-driven education, promote ethical awareness, and respond to the diverse learning needs of students in an ever-evolving educational landscape.

3. With this, teachers were extensively trained to equip them with the knowledge and skills necessary to develop their own innovative learning hubs, fostering creativity and independence in resource creation and were able to have several LAC sessions to share the knowledge they gained through this NEAP approved training. As a result of these efforts, numerous learning hubs have been established and remain functional to this date, providing accessible and sustainable platforms for quality teaching and learning. These hubs serve as vital tools in supporting curriculum implementation and enhancing educational outcomes for learners.

4. To assure functionality and sustainability, SDO Batangas encourages the EsPMATIC teacher developers to update their learning hubs at least semi-annually to ensure the quality and relevance of the said hubs to the needs of the learners and teachers.
5. Along with this, the Education Program Supervisor in charge of Values Education/GMRC/Edukasyon sa Pagpapakatao will schedule online monitoring of these hubs starting January 3, 2025, to January 31, 2025. The list of schools with learning hubs is attached to this memorandum. Further, the developers whose learning hubs are still not linked with EsPMATICapsule may contact Dr. Ma. Leticia Jose C. Basilan for the said learning hubs inclusion.
6. Immediate and wide dissemination of this memorandum is earnestly desired.

MARITES A. IBAÑEZ, CESO V
