SUBJECT : **ADMINISTRATION OF THE NATIONAL LEARNING CAMP  
ASSESSMENT FOR GRADES 7 AND 8 LEARNERS FOR  
SCHOOL YEAR 2022-2023**

DATE : June 20, 2023

This has reference to the ongoing preparations for the conduct of the National Learning Camp. As communicated by the Bureau of Education Assessment (BEA) during the NLC virtual orientation for the field testing personnel on June 14, 2023, the **National Learning Camp Assessment (NLCA) for School Year (SY) 2022-2023** shall be administered from **June 21 to July 7, 2023**.

The NLCA will be administered through an online computer-based modality for all Grades 7 and 8 public school learners. The assessment tool is designed to identify the effectiveness of the learning camp intervention on the learning proficiencies of participating learners before and after attending the said program.

The test shall cover learning areas in **English, Science, and Mathematics**, wherein test items measure varying levels of skills and competencies in a multiple-choice format using the English language.

The BEA, in coordination with the Information and Communications Technology Service (ICTS), will manage the national implementation of the NLCA with the assistance of the regional offices (ROs) and schools division offices (SDOs). BEA will coordinate with the identified field-testing personnel and DepEd Information Technology Officers (ITOs) for the conduct of the national conference and administration of the NLCA.
