The Philippine Association of Research Managers, Inc. (PHILARM) will be holding the 6th International Research, Development, and Extension (IRDE) Management Congress in Ho Chi Minh, Vietnam on March 18–20, 2025.

The PHILARM annually organizes a convention to encourage its members and other interested RDE managers to present their RDE management papers.

With this year's theme, **Fostering Innovation in Research Management: Towards a Glocalized Economy through Research and Development**, the congress serves as a platform to share best practices in RDE management across multidisciplinary fields, with a particular focus on promoting internationalization and collaboration among higher education institutions, government, and nongovernment agencies in the Southeast Asian region.

Participation of public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2024 titled **Implementing Guidelines on the School Calendar and Activities for the School Year 2024-2025** and DO 9, s. 2005, titled **Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith** and the policy on off-campus activities stated in DO 66, s. 2017.
