### GAIN MASTERCLASS 15

The Government Academe Industry Network Inc. (GAIN) will hold the GAIN Masterclass 15 via Zoom on March 6, 2026, from 1:00 to 5:00 p.m.

With the theme, International and National Academic Innovations 2026, the activity brings together academic leaders, global partners, and industry practitioners to discuss how higher education institutions can respond to rapidly evolving workforce demands through artificial intelligence (AI)-enabled education, industry-integrated innovation hubs, global classrooms, and skill-based credentials.

Participants will gain practical insights from institutional case studies and industry perspectives on how to align academic programs with emerging skills, global standards, and real-world career pathways.

The program will feature timely and practical sessions, including:

1. LinkedIn and the Future of Employability: Integrating Skills, Credentials, and Careers;
2. Industry-Integrated Innovation Hubs: Co-Creation in Action;
3. Global Classrooms Through COIL: De Montfort University's Model for Internationalized Learning; and
4. AI for Education: Huawei's Global Advocacy for Digital Transformation in Classrooms.

Interested participants may register at the following link:
