SDG ACTION SUMMIT 2026
(Makati City Edition)

The Global Changemaker Schools will host the Sustainable Development Goals (SDG) Action Summit 2026 at the Glorietta Activity Center in Makati City on February 24, 2026.

The SDG Action Summit is an annual initiative that advances Education for Sustainable Development and mobilizes action toward the United Nations SDGs. This year's event will feature panel discussions with field experts, interactive booths from nongovernment organizations such as UNICEF and the World Wide Fund for Nature, and creative youth showcases designed to equip participants with tools to lead sustainable change in their communities.

The Summit aims to empower the next generation of Filipino leaders by bridging the gap between global goals and local action. Through practical strategies, youth-led innovations, and cross-sector collaboration, the program ensures the SDGs are understood within the Philippine context. Government and business leaders will join discussions, while volunteer and sustainable shopping booths and dynamic creative performances will offer participants concrete ways to take action. Attendees are expected to leave motivated to contribute through mindful spending, volunteerism, and community engagement.

The target participants include learners, teachers, and the general public.

Visit the SDG Action Summit Facebook page for more details about the event.
