**NATIONAL LEADERSHIP ENHANCEMENT AND DEVELOPMENT SEMINAR 2026  
OF THE PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS INC.**

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will conduct its National Leadership Enhancement and Development (NLEAD) Seminar 2026 in Luzon on August 4-7, 2026.

The NLEAD Seminar is an annual four-day training seminar that capacitates and empowers student leaders across the Philippines to take the forefront in leading educational and meaningful initiatives that connect science and technology to local communities through PSYSC's Regional Councils (RCs). The Seminar is participated in by two selected students from Grades 10-12 per region, chosen through a rigorous selection process.

It aims to bring together student leaders nationwide to foster leadership skills through real-life applications, enhance critical and creative thinking, and rekindle their passion for initiating positive change in their schools and communities. Specifically, the seminar aims to

1. provide participants with a clearer view of PSYSC;
2. instill a significant awareness of the seven core values of servant leadership—inspiration, communication, cooperation, patience, empathy, teamwork, and initiative;
3. provide a venue for the exchange of ideas and promotion of critical thinking among the participants;
4. sustain the science clubbing movement at the grassroots by empowering and training the next RC officers;
5. empower participants to initiate the conduct of activities in their schools and local communities to further promote the thrust of the organization; and
6. encourage more students to be part of their schools' science clubs and the PSYSC's RC.

Information about registration and other details for NLEAD 2026 will be announced on PSYSC's official Facebook page at [facebook.com/psysc](https://facebook.com/psysc).

Participation of schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2026, titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).
