NATIONAL INVITATIONAL FOR MATHEMATICAL PRODIGIES 2027

The Society of Applied Mathematics of the University of the Philippines Los Baños (SAM-UP) will conduct the National Invitational for Mathematical Prodigies (NIMP) 2027 at the Electrical Engineering Auditorium, UP Los Baños, Laguna, on January 30, 2027.

NIMP 2027 is a nationwide mathematics competition for junior high school (JHS) learners that aims to promote mathematical excellence, teamwork, and school pride through engaging and challenging mathematical activities.

Specifically, the competition aims to

- engage learners in activities that promote mathematical thinking and unlock their potential;
- further expose them to a healthy, competitive atmosphere; and
- recognize and cultivate students' talents in mathematics.

The competition is open to teams from accredited schools, with each team composed of three JHS learners. Participants will compete in two phases: the Elimination (Written) Phase and the Final (Oral) Phase. The top team will be hailed as Math Prodigies 2027.

All JHSs nationwide are welcome to join upon receipt of the invitation. Interested schools may confirm their participation on or before January 8, 2027, via the registration link: <https://bit.ly/RegistrationNIMP2027>

Participation of schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2026, titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education and Activities and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546 also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).
