WEBINAR ON CLIMATE- AND DISASTER-RESILIENT PUBLIC HEALTH NURSING: BUILDING CAPACITY FOR PREPARED AND RESILIENT COMMUNITIES

The National Association of Public Health Nurses Inc. (NAPHNI), in partnership with the University of the Philippines Manila-College of Nursing and AmeriCares Philippines, will host the Continuing Professional Development Webinar on Climate- and Disaster-Resilient Public Health Nursing: Building Capacity for Prepared and Resilient Communities via Zoom on November 19 and 20, 2026, from 9:00 a.m. to 12:00 p.m.

The two-day webinar aims to strengthen participants' competencies in recognizing climate-related health risks, identifying vulnerable populations, conducting basic climate-health risk assessments, and implementing appropriate public health nursing interventions before, during, and after climate-related emergencies.

Through interactive lectures, case-based learning, virtual risk-assessment activities, and Climate Resilience Toolkit exercises, participants are expected to enhance their knowledge and practical skills in preparedness, response, recovery, and continuity of essential health services.

The activity is intended primarily for public health nurses, school nurses, and other health personnel, including those from the Department of Education (DepEd). At the conclusion of the program, participants are expected to develop a one-page Climate Resilience Action Plan applicable to their respective health centers, schools, or communities.

Interested participants may visit NAPHNI's official Facebook page for updates and announcements regarding the webinar.

Participation of schools shall be purely voluntary and will not hamper instructional time, in compliance with the provisions of DepEd Order (DO) No. 009, s. 2026, titled Guidelines on the Implementation of the Three-Term School Calendar in Basic Education and Activities, and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith, and the policy on off-campus activities stated in DO 66, s. 2017.

This is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, also known as An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law).
