2025 CLASSROOM CONNECTS PROGRAM OF OCEANX EDUCATION

OceanX Education is designed to inspire the next generation of ocean explorers, problem solvers, advocates, and storytellers by increasing young people's opportunities to learn about and engage with the ocean. Hence, it invites primary and secondary school teachers and educators in the Philippines to its 2025 Classroom Connects Program.

Classroom Connects are live sessions where OceanX experts discuss ocean exploration with students. The students will have a unique opportunity to learn about the ocean, its significance, how technology has allowed us to explore it, and interact with other members in real-time through Zoom.

To learn more about the program and view all the schedules for Classroom Connects, please visit: <https://www.eventbrite.com/cc/2025-classroom-connects-4093803>.
