**BAC Resolution Recommending the Use of Alternative Method of Procurement
Resolution No. 2025-12-0207-A1**

WHEREAS, there is an approved Purchase Request (PR) No. 2025-12-0207 with an Approved Budget for the Contract (ABC) of Three Hundred Twelve Thousand Pesos (Php 312,000.00) only for the Procurement of **Lease of Venue to be used for the Conduct of Workshop in the Digitization of Alternative Delivery Mode (ADM) Learning Resources for ADM Learning Management System Phase 2 on December 17-19, 2025;**

WHEREAS, it is preferred that government agencies lease publicly-owned real property or venue from other government agencies will be used instead of privately-owned real property for lease of venue;

WHEREAS, if there is an available publicly-owned real property or venue that complies with the requirements of the Procuring Entity, it may enter into a contract of lease with the government-agency owner;

WHEREAS, the end user/program proponent requested the Bids and Awards Committee (BAC) to use a privately owned venue based on the following considerations:

- The National Educator's Academy of the Philippines (NEAP) Malvar as a publicly-owned venue is currently unavailable due to ongoing rehabilitation work;
- In addition to accessibility, the proposed venue offers a strategic advantage as most of the participants are personnel from the Schools Division Office. Holding the activity nearby will not only minimize travel time and expenses but will also help ensure the continuity of essential office services during the training period.
- Also, the sense of comfort and familiarity offered by a private venue is seen as instrumental in achieving the desired outcomes of the said activity.
- The quality of facilities, amenities, and accommodation available in private venues is expected to foster a more productive, engaging, and collaborative environment, ultimately contributing to the overall success of the program.
- Lastly, the anticipated costs to be incurred for participants' travel is economical and the venue lease remains within the allowable threshold set for lease of venue expenses.
- Furthermore, the venue's rating factor assessment meets or exceeds the required 85% passing rate, and the costs fall within the government procurement guidelines and will not be incurred any additional incidental expenses;

WHEREAS, the use of publicly-owned real property and venue is not feasible;
