BAC Resolution Recommending the Use of Alternative Method of Procurement
Resolution No. 2025-12-0209-A1

WHEREAS, there is an approved Purchase Request (PR) No. 2025-12-0209 with an Approved Budget for the Contract (ABC) of Four Hundred Ninety-Two Thousand Pesos (Php 492,000.00) only for the Procurement of **Lease of Venue to be used for the Conduct of the Training for JHS and SHS Filipino Non-Major in Line with the Secondary Education Support Program – Pagsasanay Para sa Mga Guro ng JHS at SHS na Nagtuturo ng Filipino na Hindi Majors na may Kaugnayan sa SESP on December 16-19, 2025;**

WHEREAS, it is preferred that government agencies lease publicly-owned real property or venue from other government agencies will be used instead of privately-owned real property for lease of venue;

WHEREAS, if there is an available publicly-owned real property or venue that complies with the requirements of the Procuring Entity, it may enter into a contract of lease with the government-agency owner;

WHEREAS, the end user/program proponent requested the Bids and Awards Committee (BAC) to use a privately owned venue based on the following considerations:

- The National Educator's Academy of the Philippines (NEAP) Malvar as a publicly-owned venue is unavailable due to ongoing renovation.
- The proposed venue offers a strategic advantage as most of the participants are personnel from the Schools Division Office. Holding the activity nearby will not only minimize travel time and expenses but will also help ensure the continuity of essential office services during the training period.
- Also, the sense of comfort and familiarity offered by a private venue is seen as instrumental in achieving the desired outcomes of the said activity. The quality of facilities, amenities, and accommodation available in private venues is expected to foster a more productive, engaging, and collaborative environment, ultimately contributing to the overall success of the program.
- Moreover, the anticipated costs to be incurred for participants' travel is economical and the venue lease remains within the allowable threshold set for lease of venue expenses.
- Furthermore, the venue's rating factor assessment meets or exceeds the required 85% passing rate, and the costs fall within the government procurement guidelines and will not be incurred any additional incidental expenses;

WHEREAS, the use of publicly-owned real property and venue is not feasible;
