BAC Resolution Recommending the Use of Negotiated Procurement
Resolution No. 2026-07-0067-A1

WHEREAS, there is an approved Purchase Request (PR) No. 2026-07-0067 with an Approved Budget for the Contract (ABC) of Two Hundred Seventy Thousand Pesos (Php 270,000.00) only for the Procurement of **Lease of Venue to be used for the conduct of Resilience Camp 2026 on September 7-9, 2026;**

WHEREAS, Section 26.1 of IRR R.A. No. 12009, the Procuring Entity shall adopt a mode of procurement consistent with the Fit-for-Purpose procurement approach;

WHEREAS, Section 35. Negotiated Procurement, it is a mode of procurement of Goods, Infrastructure Projects, and Consulting services, whereby the Procuring Entity directly negotiates a contract with a technically, legally, and financially capable supplier, contractor or consultant.

WHEREAS, Section 35.9 Lease of Real Property and Venue, it is preferred that government agencies lease publicly owned real property or venue from other government agencies;

WHEREAS, if there is an available publicly owned real property or venue that complies with the requirements of the Procuring Entity, it may enter into a contract of lease with the government agency owner;

WHEREAS, in the event that the Procuring Entity would resort to privately owned real property or venue, the End-User or Implementing Unit shall justify that the same is more efficient and economical to the government;

WHEREAS, the end user/program proponent requested the Bids and Awards Committee (BAC) to use a privately owned venue based on the following considerations:

- The National Educators Academy of the Philippines (NEAP) Malvar, a publicly owned venue, although available is unable to provide the required outdoor facilities and open spaces necessary for the conduct of team-building activities, cam-based learning sessions and disaster simulation exercises, which are integral components of the activity.
- The private venue, is believed to be more economical and efficient in the part of government and target participants.
- Aside from the accessibility and the minimal travel expenses to be incurred, the convenience of all participants was considered as a factor in the attainment of the objectives of the activity.
- The facilities, amenities, logistics and accommodation that can be offered by a private venue would enhance productivity, participation and collaboration among participants.

WHEREAS, the use of publicly-owned real property and venue is not feasible;

WHEREAS, the Bids and Awards Committee recommends that the Procurement of **PR No. 2026-07-0067- Lease of Venue to be used for the conduct of Resilience Camp 2026 on September 7-9, 2026** will be conducted through "Negotiated Procurement-Lease of Real Property and Venue Section 35.9";

NOW, THEREFORE, We, the Members of the Bids and Awards Committee, hereby RESOLVE as it is hereby RESOLVED to conduct Negotiated Procurement- Lease of Real Property and Venue for this project.
