Carlito D. Rocafort

Director IV

Department of Education – CALABARZON

Sir:

Good day!

The Pilipinas RoboSports Tournament (PRST) remains steadfast in its commitment to providing a premier avenue where Filipino learners and professionals can showcase their advanced knowledge, creativity, and technical skills in the field of robotics. We believe that such competitive platforms are essential in fostering the next generation of innovators and engineers.

In line with this, we are inviting the students and coaches from your institution to join the RoboSports Carnival (RSC2) which will be held at the General Trias Convention and Cultural Center, General Trias City, Cavite on September 5 and 6, 2026 (Saturday and Sunday). The said dates are within the designated enrichment block of the first academic term.

This event is a perfect avenue for them to showcase their talents in the field of robotics.

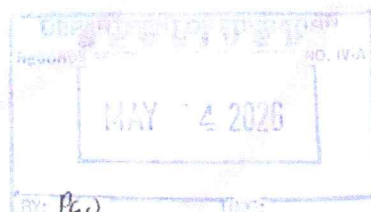

To know more about these events, visit the Facebook page: **Pilipinas RoboSports Tournament** or email us at rstpinas@gmail.com. To avoid disruption of classes, DepEd Order no. 24, s. 2022 and DepEd OASGFO Memorandum no. 2022-058 were considered in selecting the dates for the activity, which will fall on weekends.

Thank you and God bless!

Sincerely,

JERALD KIAH T. GINES
