**2025 NATIONAL CHILDREN'S SCIENCE INTERACTIVE  
WORKSHOPS**

With reference to an invitation letter of the Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs) Inc., this office informs the Schools Division Superintendents of the 2025 National Children's Science Interactive Workshops on June 4 to 7, 2025 in Luzon.

The said activity aims to heighten the interest and awareness of science clubbers in Geology through interactive workshops and activities.

Kindly refer to the attached letter for more details about the activities.

Furthermore, those interested in joining are reminded of the following conditions:

- a) that the Schools Division Office be informed, in writing, of participation in any of the said activities;
- b) participation is strictly on a voluntary basis;
- c) expenses to be incurred shall be on a personal basis or sourced from a legitimate local government unit or donor; and
- d) strict observance of Time-On-Task Policy or the No Disruption of Classes Policy of the Department.

For information of all concerned.

ALBERTO T. ESCOBARTE  
Regional Director

Dear Dr. Alberto T. Escobarte,

Greetings from the science clubbing movement!

The Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc. is a country-wide organization committed in upholding the significance of science clubbing and in promoting public understanding of science, technology, and the environment. In a span of 54 years, the PSYSC has been in the forefront of conducting positive and practical programs for elementary and highschool students.

This year, PSYSC is proud to conduct the 2025 National Children's Science Interactive Workshops (NCSIW) with the theme "GEORASSIC." The event is open to grades 2-6 students of the previous school year, teachers, science club advisors, and coaches nationwide.

NCSIW is a four-day activity for elementary science club members and advisers across the Philippines. This will be held in LUZON from June 04 to 07, 2025. For this year, it aims to heighten the interest and awareness of science clubbers in Geology through interactive workshops and activities.

In line with this, we would like to request your support by issuing a regional DepEd memorandum to further disseminate the event invitation to elementary schools in your region. We have already secured a National DepEd memorandum (attached), but we believe that your endorsement will generate an even wider reach for NCSIW. Thank you very much and we look forward to a positive response!

In service of the Filipino Youth,

Clarifandino Mogada  
Secretariat  
NCSIW 2025

**2025 NATIONAL CHILDREN'S SCIENCE INTERACTIVE WORKSHOP**

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will conduct the 2025 National Children's Science Interactive Workshop (CSIW) in Luzon on June 4-7, 2025.

The CSIW event will feature lectures and workshops focused on Earth Science to enhance learners' appreciation of this specific field of science. It aims to

1. discuss the impact of science technology and engineering (ST&E) on humanity through interaction with experts in the field;
2. promote interest and awareness among participants in ST&E, encouraging them to pursue further knowledge in these fields;
3. encourage the participants to pursue opportunities as players in the ST&E in the future;
4. provide a venue for exchanging ideas and promoting camaraderie among elementary science club members nationwide; and
5. encourage more students to join science clubs and engage actively in the science club movement.

The event is open to elementary students from Grades 4 to 6, teachers, science club advisers, and coaches nationwide.

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 009, s. 2024 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2024-2025 and DO 9, s. 2005, titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
