Robotics Summer Cup 2025

With reference to the invitation letter of Jerald Kiah T. Gines, Pilipinas Robo Sports Tournament Game Official, this Office informs the Schools Division Offices of the Robotics Summer Cup (RSC1), a national robotics competition to be held on May 24-25, 2025, at Stadium Shopping Strip, Antero Soriano Highway, Naic, Cavite.

The said activity aims to inspire creativity, teamwork, and problem-solving skills within the robotics community.

Kindly refer to the attached letter for more details about the activity.

Furthermore, those interested in joining are reminded of the following conditions:

- a) that the Schools Division Office be informed, in writing, of participation in the said activity;
- b) participation to the event is strictly on a voluntary basis; and
- c) expenses to be incurred shall be on a personal basis or sourced from a legitimate local government unit or donor.

For information of all concerned.

Atty. Alberto T. Escobarte, CESO IV
 Regional Director
 Department of Education – Region IV-A CALABARZON
 Gate 2 Karangalan Village, Cainta, Rizal

Hon. Atty. Escobarte,

Good day!

Pilipinas RoboSports Tournament (PRST) is an exciting national robotics competition that uniquely combines the world of robotics with sports disciplines like hockey, sumo, and racing. The primary goal of PRST is to **promote Science, Technology, Engineering, Arts, and Mathematics (STEAM)** with the integration of research among robotics enthusiasts of all ages. It is also a **perfect avenue for learners, both elementary and secondary, and their coaches, to test their robot designing, building and programming skills**. PRST 2025 promises an exhilarating experience for participants and spectators alike. Through this innovative fusion of technology and athleticism, our team aims to inspire creativity, teamwork, and problem-solving skills within the robotics community.

In line with this, we formally request an **Advisory Letter or Regional** to help us formally inform public schools about our upcoming national robotics event, **Robotics Summer Cup (RSC1)**, in the following areas:

Competition	Venue	Dates
Robotics Summer Cup 2025 – Luzon Leg	Stadium Shopping Strip, Antero Soriano Highway, Naic, Cavite	May 24 and 25, 2025
Robotics Summer Cup 2025 – Visayas and Mindanao Leg	Cebu Technological University - Danao City Student Activity Center, Danao City, Cebu	May 26, 2025

These events are perfect avenues for them to showcase their talents in the field of robotics. Attached is the game schedule for your reference.

We understand that the dates fall within the mandatory break period of public school teachers, therefore, **participation to this event is purely voluntary**.

To know more about RSC1, visit the Facebook page: **Pilipinas RoboSports Tournament** or email us at rstopinas@gmail.com.

Thank you and God bless!

Sincerely,

JERALD RIAH T. GINES
 PRST Game Official
