Due to limitations in the conduct of mass gatherings and adherence to health protocols, NSED exercises requiring physical interaction, particularly **evacuation drills in DepEd offices and schools, are hereby suspended**. However, all DepEd personnel and learners are enjoined to practice the **“duck, cover, and hold”** procedure simultaneously at the set time.

In order to further raise awareness regarding the earthquake drill, DRRM coordinators are encouraged to:

1. intensify the Information, Education, and Communication (IEC) campaign by displaying information on earthquake preparedness measures at the offices and school bulletins or through online forums such as social media platforms and video conferences;
2. discuss results of Family Earthquake Preparedness¹ Homework to the PTA and barangay officials for consideration in the school and community preparedness planning, as mandated in DO No. 27, s. 2015; and
3. distribute maps containing evacuation routes and sites (at school or community) in coordination with LDRRMOs/BDRRMCs.

For more information, kindly refer to Enclosure No. 1² (DepEd Order No.48 s. 2012). Additional preparedness and response measures are also listed in Enclosure 2³ (DepEd Order No. 33, s. 2021).

Proper documentation and post-activity evaluation are required. Therefore, all field offices are advised to make necessary preparations, so that the required reports are submitted on time. Attached are the guidelines for the submission of the 1st Quarter NSED Reports (**Annex A**).

Moreover, a copy of the DepEd NSED banner and other materials can be accessed through <https://bit.ly/DepEdNSED2022> . All are enjoined to promote the NSED social media activities and IEC materials released by the DepEd DRRMS Facebook Page.

For queries and concerns on this subject, kindly contact the DRRMS through email at drmo@deped.gov.ph .
